Mia's eighth I Can Read book is full of the same dancing readers love, but with a whole set of new moves (and words!) to help beginning readers grow, perfect for fans of the Tallulah books.

For a new dance number, Mia the ballerina kitten swaps her ballet slippers for jazz shoes. The only thing is, Mia doesn't think the jazz shoes are as pretty as her pink slippers. The plain shoes don't seem to match the snazzy jazz routine.

As always, Mia uses her quick thinking to come up with the perfect solution to match her plain Jane outfit to her jazzy steps.

Mia Jazzes It Up is a My First I Can Read book, which means it's perfect for shared reading with a child.
