The Power of Dreams

As Lily delves deeper into her quest, she discovers that the true power of the milk flower lies not in its ability to grant wishes, but in its ability to ignite the dormant dreams and passions within each person it touches.

Through evocative prose and vivid descriptions, Dorothea Benton Frank masterfully explores the transformative power of dreams. She weaves a tale filled with hope, resilience, and the indomitable human spirit. As readers follow Lily's journey, they are inspired to reflect on their own dreams, encouraging them to pursue their deepest desires and embrace the magic that lies within.

A Tapestry of Emotions

"Milk Flower Dream" is more than just a whimsical tale of adventure – it delves into the depths of human emotions. Dorothea Benton Frank skillfully portrays the raw emotions that come with pursuing one's dreams, from the elation of achieving a long-awaited goal to the heart-wrenching pain of loss and disappointment.

Through her vivid storytelling, Frank invites readers to experience the highs and lows of life alongside the characters. She beautifully captures the essence of human existence, reminding us that even in the face of adversity, there is always a glimmer of hope to hold onto.

A Literary Masterpiece

"Milk Flower Dream" stands as a testament to Dorothea Benton Frank's exceptional storytelling prowess. With each page turned, readers are transported to a world where the boundaries of reality fade away, and the extraordinary becomes possible.

The jewelry gallery is located on the road lined with milk flowers, Khang Binh enjoys watching his work.

Admittedly, Khang Binh has an aesthetic mind. He designed the gallery, arranged the jewelry in a harmonious and delicate way. Surely his gallery attracts people, especially women.

Hairy comedy, Khang Binh sings:

"Hanoi this season is absent from the rain.

The cold head of winter, my towel flies in the cold wind.

The milk flower just fell, I went to one afternoon to dissolve the layer.

Ancient Fisherman's Road, slowly stepping me back ...".

Suddenly, Khang Binh put his eyes out. A young man and the girls are crawling outside the gallery.

A stalker? Kang binh began to raise vigilance. Jewelry, gold and gemstones have hit the crooks in the eye.

Thinking of it, Kang Binh did not take his eyes off the crooks.

Suddenly he opened his mouth when he saw the son climbing the milk civet as fast as a squirrel, and the girls gathered at the bottom of the root clapping and cheering.

Kang binh growls:

- He stood in a tree to see the gallery.

No need to wait, Khang Binh runs quickly out, squeals loudly in a southern accent ... Hanoi:

- Hey, uncle, get down now!

The girls stared at Kang Binh. A tall girl questioned:

- Why are you the police who took people down, huh?

Kang Binh nodded:
