

## Mishi And Mashi Go To Italy

Mishi and Mashi are two adorable dogs that love to travel with their owners. Together, they have explored many countries around the world, and their latest adventure took them to the beautiful country of Italy.

Italy is a country famous for its rich history, stunning architecture, mouthwatering cuisine, and breathtaking landscapes. Mishi and Mashi were beyond excited to immerse themselves in the vibrant Italian culture and explore all that this magnificent country had to offer.

Their journey began in the romantic city of Venice, known for its iconic canals and gondolas. Mishi and Mashi couldn't resist taking a gondola ride and cruising through the picturesque canals. They marveled at the splendid architecture of the city's historic buildings and enjoyed the warm sun as it reflected off the sparkling water.

Item Weight : 11.2 ounces

Dimensions : 10.5 x 0.4 x 7.4 inches

Mishi and Mashi's next stop was the eternal city of Rome. They trotted along the cobblestone streets, taking in the sights and sounds of this ancient city. The Colosseum left them in awe, and they couldn't help but imagine the glorious battles that had taken place there centuries ago. They also visited the Vatican City and explored the magnificent St. Peter's Basilica.

No trip to Italy would be complete without indulging in the country's renowned cuisine. Mishi and Mashi devoured delicious pizzas and pasta dishes, savoring every bite. They even tried their paws at making their own pizza during a cooking class, which turned out to be a hilarious yet memorable experience.

The dogs' wanderlust led them to the beautiful region of Tuscany, famous for its rolling hills, vineyards, and charming medieval towns. Mishi and Mashi explored the enchanting town of San Gimignano, known for its well-preserved towers. They couldn't resist climbing to the top of one of the towers for a breathtaking view of the surrounding countryside.

Next on their itinerary was the scenic Amalfi Coast. Mishi and Mashi were amazed by the stunning coastal views and the colorful cliffside villages. They took leisurely strolls along the coastline, enjoying the fresh sea breeze and the sound of waves crashing against the rocks.

Of course, Mishi and Mashi couldn't leave Italy without trying the famous Italian gelato. They indulged in various flavors, from creamy pistachio to refreshing lemon, and their taste buds were in heaven.

As their Italian adventure came to an end, Mishi and Mashi were filled with gratitude for the incredible experiences they had shared. They had made lasting

memories in a country that was not only visually stunning but also warm and welcoming to their canine companions.

Stay tuned for their next adventure as Mishi and Mashi set off to explore another fascinating destination!

Are you planning a holiday to Italy soon?

Do you have a curious explorer at home,

or do you just want your kid to know more about the Italian culture?

This beautifully illustrated book series opens the world to young children (ages 3-8) to new cultures and experiences in a fun and engaging way.

Mishi and Mashi are sisters. They travel around Europe with their parents and explore different countries. In Italy, they visit Rome and learn why people throw

coins in Fontana di Trevi, drive a gondola in Venezia and see a volcano erupt in Sicily. They also try the local food, meet Gabriela and have many more curious experiences.

There is a hidden animal on each page, which is typical for Italy. Find it, and you will learn many interesting facts about it!

Easy reading with big letters, suitable for preschoolers and early readers.

Also in the series: Mishi and Mashi go to England, Mishi and Mashi go to Greece and Mishi and Mashi go to Germany.
