

# My Daddy My Hero: What I Want To Be

Every child has a hero, someone they look up to, someone who inspires them to be the best they can be. For me, that hero is my daddy. He is not just my father, he is my superhero, my role model, and the person I aspire to become.

Now, you may wonder why I call my father a hero. Well, let me paint a picture for you. Imagine a man, strong and compassionate, standing by my side through thick and thin. A man who sacrifices his own wants and needs to ensure my happiness and success. A man whose mere presence brings comfort and security into my life. This is my daddy, and he possesses qualities that I believe define a true hero.
