Two weeks after losing my home, I end up finding my soulmate. His name is Ambrose, and he's handsome, caring, and oh yeah, a vampire.

I've had a recent string of bad luck. A few months ago, I lost my job, and two weeks ago, I got kicked out of my apartment after missing one too many rent payments. Since then, I've been napping in coffee shops and crashing on park benches.

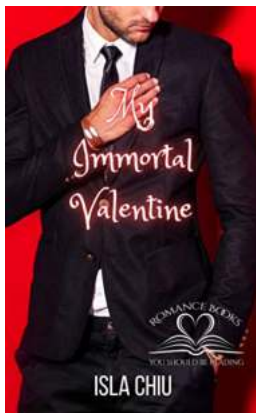

Desperate for something more comfortable than a cold bench, I break into a seemingly vacated mansion. I find a soft bed, but that's not all I discover. In the morning, the owner of the house returns, and it turns out he's a freaking vampire. But instead of wanting to eat me, he wants to make me his valentine.
