## A World of Unparalleled Craftsmanship

From the moment I stepped through the gates of Cirque's training facility, I was transported into a world of unparalleled craftsmanship. The meticulous attention to detail, the countless hours of practice, and the unwavering commitment to perfection were palpable in every corner.

With wide-eyed wonder, I embarked on an intensive training regimen designed to push the limits of physicality and artistry. My days were filled with grueling workouts, rehearsals, and workshops where seasoned professionals imparted their wisdom onto us aspiring acrobats, dancers, contortionists, and aerialists. The dedication of the instructors and the collective drive of my newfound colleagues fueled an incessant desire to excel, pushing me beyond what I ever believed was possible.

## A Tapestry of Boundless Creativity

As weeks turned into months, and months into years, I found myself immersed in a tapestry of boundless creativity. Every day brought with it a fresh canvas on which to paint awe-inspiring performances. The Cirque du Soleil shows were not

just mere displays of acrobatics; they were immersive stories that transported audiences to otherworldly realms. And guess what? I was a part of it all!

From soaring through the air on a trapeze to contorting my body into unimaginable shapes, every act became a testament to the human potential for greatness. The exhilaration of each applause, the connection with the audience, and the bond between fellow performers wove together a fabric of fulfillment that words cannot adequately describe.

## **Life on the Road**

While Cirque du Soleil performances are renowned for their splendor, few are aware of the whirlwind of life on the road. As a Cirque artist, my every waking moment was consumed by the pursuit of perfection and the ability to transport audiences to realms where gravity loses its grip. From one city to the next, we became a nomadic family, dedicating ourselves to the art of captivating the world.

The constant traveling posed challenges, but it also presented countless opportunities for personal growth. We were exposed to diverse cultures, met extraordinary individuals, and encountered countless acts of kindness from strangers who shared our passion for the arts. Life on the road became an adventure of self-discovery, reminding us that the world is as vast and diverse as the acts we perform.

## **A Legacy of Unforgettable Memories**

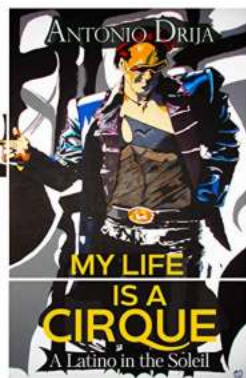

As I reflect upon my life immersed in the grandeur and magic of Cirque du Soleil, I cannot help but feel an overwhelming gratitude for the experiences it has gifted me. The legacy I carry is not just one of artistic achievement, but one of growth, resilience, and unbreakable bonds forged in the crucible of rehearsals and performances.

My life is Cirque, and Cirque is my life. It has transformed me into a person brimming with creativity, discipline, and an unyielding passion for pushing boundaries. Each performance, each breathtaking spectacle, is a testament to the human spirit's capacity for boundless imagination and artistic expression.

## Why You Should Embrace the Circus in Your Life

Now, perhaps you may not have the opportunity to join Cirque du Soleil as I did, but that doesn't mean you can't embrace the circus in your own life. Whether it's attending a Cirque show as a mesmerized spectator, pursuing a newfound passion for acrobatics or dance, or simply infusing an element of whimsy and wonder into your daily routine, the spirit of Cirque du Soleil is one that can enrich not just the lives of its performers but also those fortunate enough to witness its magic.

So, my dear reader, I invite you to step outside the realm of the ordinary and venture into a realm of enchantment. Embrace the daring, the unconventional, and the extraordinary, for life truly becomes a spectacular show when we allow ourselves to embody the spirit of Cirque du Soleil. After all, in the grand circus of life, every individual has the potential to become a performer capable of awe-inspiring acts and unforgettable experiences.

After his career as a dancer during the golden years of Venezuelan television, as well as on international venues, Antonio Drija (Barcelona, Venezuela, 1960) reveals in *My Life is a Cirque* how he became one of the most sought-after choreographers for the most relevant Latino musicals, and how he was the first Venezuelan to become part of the Cirque du Soleil. Even if “This book is not a fairytale”, as the author states, “Many anecdotes make the behind the scenes of the Sun a much more entertaining and unheard-of spectacle than the one the audience would watch from their seats.” This book tells his story, marked by the splendor of accomplished dreams, but also by disenchantment and solitude.
