After the adventure in Moscow, Azau, climbing Mt Elbrus, and then exploring St Petersburg, Russia, I continued the adventure. I spent a few days in Finland followed by a flight over to Iceland. After renting a car and checking out

Reykjavik, I toured around the northern and northeastern part of the island. The last part of the adventure was my return to North America as I flew over to Halifax, Nova Scotia. The train then took me to Quebec City and Montreal. To end the journey, I caught another train to central New York and then a flight back to Arizona.
