Near A Far Sea is the story of building a vacation home in the 1970s in an out-of-the-way fishing village in Treasure Beach on Jamaica's South Coast.

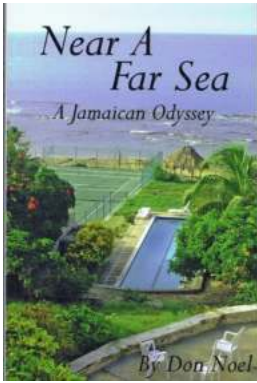

But it is more than that: It is the story of the fishermen who go fifty miles offshore to what they call 'far sea', of the men who build the boats and traps, of their village, and of their political and governmental and social structure.

It is an appreciation of Jamaica.
