

New KS2 Maths Targeted SATs Revision Foundation Level for Tests in 2018 and beyond

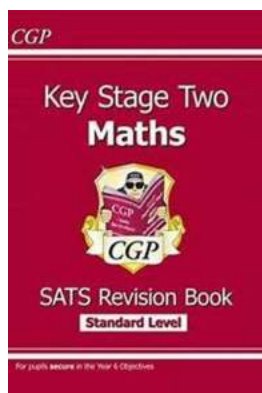

Preparing for SATs can be a daunting task for students, especially when it comes to the Maths section. However, with the new KS2 Maths Targeted SATs Revision

specifically designed for the Foundation Level, students can now confidently prepare for their exams in 2018 and beyond.

Why choose the Foundation Level?

The Foundation Level of the KS2 Maths Targeted SATs Revision is tailored to aid students who need additional support in understanding fundamental mathematical concepts. By focusing on building a strong foundation, students can develop a solid understanding of the key mathematical principles, ensuring success in their exams.

Key features of the New KS2 Maths Targeted SATs Revision for the Foundation Level

1. Comprehensive Coverage

The new revision guide covers a wide range of topics that are vital for success in SATs. From numbers and calculations, to measurements, geometry, and statistics, every aspect of the Foundation Level curriculum is covered in depth.

2. Clear and Concise Explanations

The guide offers clear and concise explanations of mathematical concepts, making it easy for students to grasp even the most complex topics. Each concept is presented in a straightforward manner, with examples and practice questions to reinforce understanding.

3. Practice Questions with Answers

Exposure to practice questions is crucial for students to develop their problem-solving skills. The new revision guide includes a wide range of practice questions with detailed answers, enabling students to track their progress and identify areas where they need further improvement.

4. Revision Tips and Strategies

In addition to comprehensive content coverage, the guide also provides useful revision tips and strategies. These tips help students develop effective study habits and enhance their exam-taking skills, ensuring they perform to the best of their abilities.

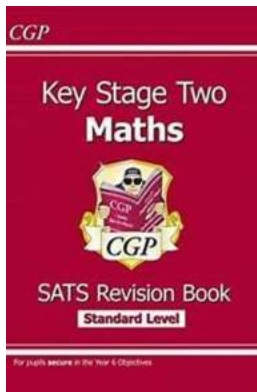

Why is the New KS2 Maths Targeted SATs Revision for Foundation Level different?

Unlike generic SATs revision guides, the New KS2 Maths Targeted SATs Revision for Foundation Level caters specifically to the needs of students at this level. It takes into account the unique challenges faced by students who require extra support in Maths, aiming to bridge any gaps in their understanding.

Who can benefit from this revision guide?

The new revision guide is ideal for students in KS2 aiming to excel in their Maths SATs. It is particularly beneficial for students who struggle with mathematical concepts and require additional assistance to build a solid foundation in the subject.

With the new KS2 Maths Targeted SATs Revision for the Foundation Level, students can now approach their Maths SATs with confidence. The comprehensive coverage, clear explanations, practice questions with answers, and revision tips provided in the guide ensure that students are well-prepared for their exams in 2018 and beyond.

New KS2 Maths Targeted SATs Revision Book - Foundation Level (for tests in 2018 and beyond) (CGP KS2 Maths SATs) by CGP Books (Kindle Edition)

★★★★☆ 4.6 out of 5

Language : English

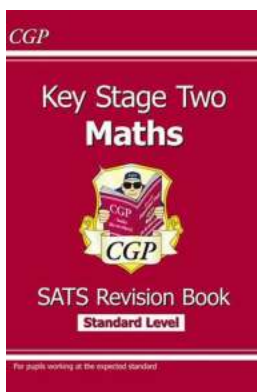

File size : 11671 KB
