Come join me for this 50-image photo journal as I cycle and hike across New Zealand. In this 13th volume I'll be enjoying a rejuvenating four days in the capitol city of Wellington. I'll start my adventure by taking a train into the downtown station, savoring the first hostel bed in six weeks, and discovering the amazing sculptures along the harbor boardwalk. Next, I'll take a cable car up to the planetarium, visit the Rose Garden, take in a professional Football game, and tour the Te Papa Museum. I hope you enjoy these images and travel thoughts as much as I did photographing them and living the adventure.
