Book Name: Nightmare In Bangkok

Subtitle:

Volume: 1

Description: Nightmare In Bangkok is a non-fiction account of an intuitive criminal

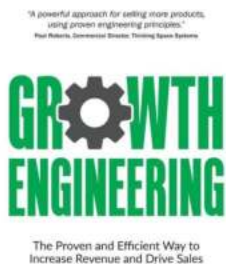

who dreamt his fate. Born and raised in Hawaii, Andy began his criminal lifestyle as a professional thief. After over a decade of close-calls, escapes, crime sprees and Hawaiian prisons, he was arrested for drug-trafficking in Bangkok, Thailand. The penalty was execution by gunshot to the head. The characters all all real, and everything is factual; verifiable by court documents, government files, newspaper articles, witnesses and photos. This isn't a how-to book, nor is it intended to glamorize crime and drug abuse. The message is that everything happens for a reason, and the worst happens for the best. There is no luck.
