MY NURSERY RHYME COLLECTION

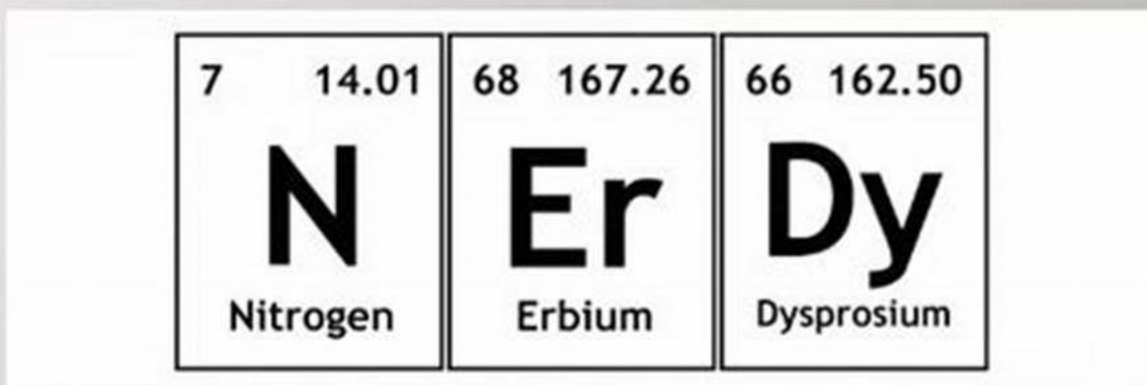

Illustrated by Fran Thatcher

Unleashing the Power of Language and Imagination

Nitwit Pie is not your traditional poetry collection. Its pages breathe life into beloved nerd culture, as words dance across the paper with passion and creativity. With each turn of a page, readers are transported to a dimension where binary code, spaceships, time travel, and fantasy worlds coexist harmoniously.

The author, a self-proclaimed nerd, fuses their love for technology, science fiction, and all things nerdy with the art of poetry. This unique combination results in thought-provoking rhymes that engage the mind and evoke emotions.

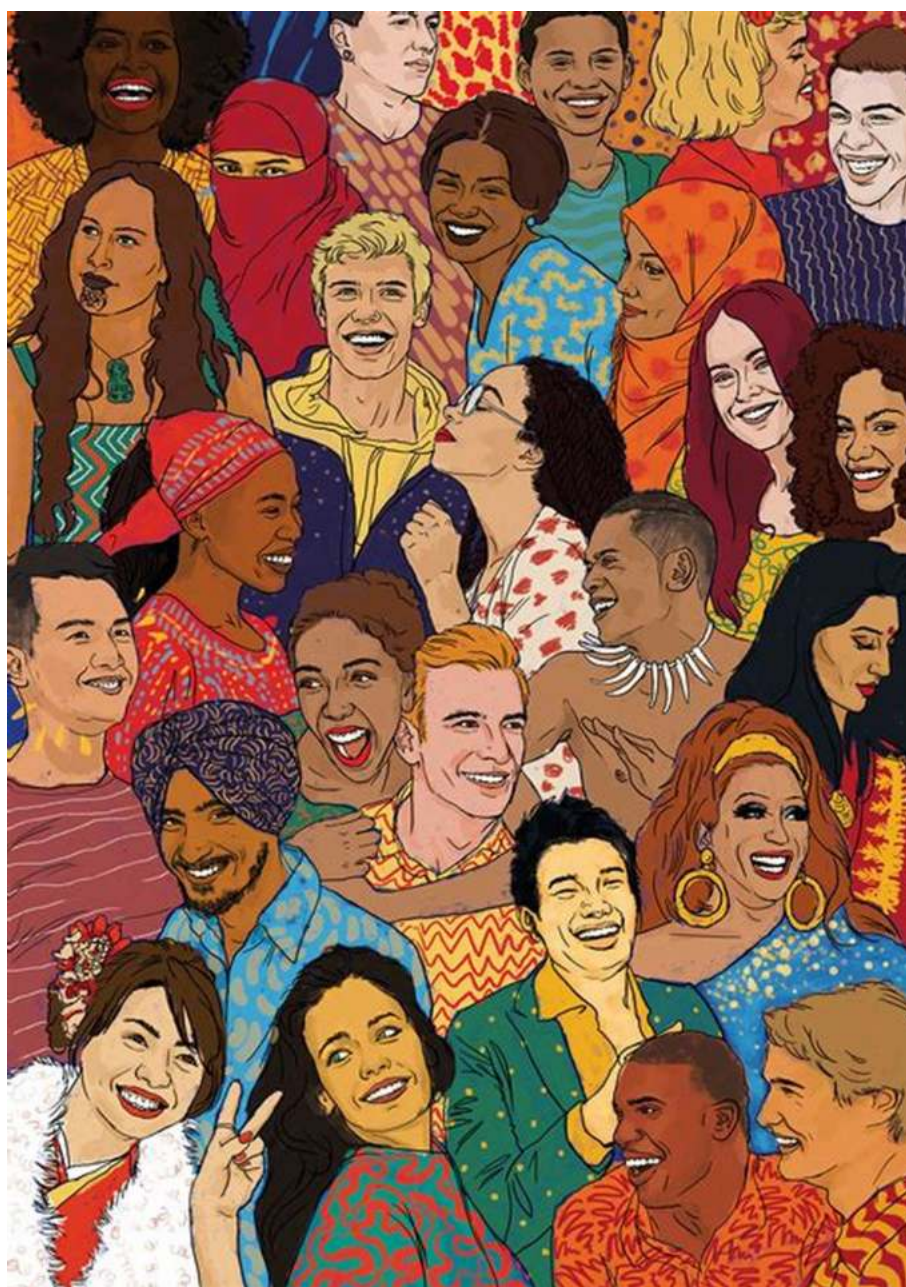

Exploring Geek Culture Through Verses

The Nitwit Pie Collection of Nerdy Rhymes sets out to celebrate and embrace geek culture. From passionate odes to the Star Wars universe to humorous

limericks about time-traveling scientists, this collection covers a wide range of topics that will resonate with nerds of all kinds.

The poems beautifully capture the essence of beloved franchises, captivating readers with vivid descriptions and catchy rhythms. Whether you are a die-hard Trekkie or a devoted gamer, there's a verse that will make your heart skip a beat and your nerdy soul rejoice.

Beyond Rhymes: Building a Geek Community

Nitwit Pie not only provides an avenue for self-expression through verse but also fosters a sense of unity within the geek community. The collection acts as a love letter to all the nerds, geeks, and enthusiasts who have ever felt misunderstood or out of place.

This poetry anthology brings together like-minded individuals, creating a space for them to feel seen and understood. Through their shared experiences and passions, readers resonate with the words on the page, forming connections and friendships that extend beyond the realms of poetry.

The Nitwit Pie Collection of Nerderly Rhymes is an enchanting adventure that merges the worlds of poetry and nerd culture. This extraordinary blend transports readers to places where dragons exist, robots dream, and galaxies await exploration.

So, grab your favorite mug of hot cocoa, find a cozy spot, and delve into the captivating verses of Nitwit Pie. Prepare to be entertained, inspired, and reminded of the beauty that lies within the realms of nerdy passions.

About the Author

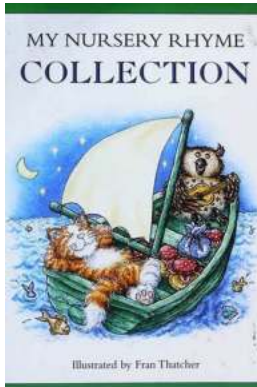

The author of the Nitwit Pie Collection of Nerderly Rhymes is a passionate wordsmith whose love for geek culture knows no bounds. With each poetic creation, they aim to ignite the imagination, celebrate diversity, and foster connections within the vibrant geek community.

Mick & Minn Stearbs originally wrote these rhymes to amuse the children they taught. Based on children's jokes, bad puns (and some good ones) and general silliness, they have given a lot of pleasure and fun. As well providing a good laugh they illuminate the way we use (and misuse) the English language. Minn illustrated them for her own enjoyment and her delightful cartoon drawings are presented here opposite the rhymes. So read and enjoy!
