Best-selling author-illustrator TEDD ARNOLD has teamed up with two professional storytellers to create a third comic-style book about the gullible Noodlehead Brothers, Mac and Mac.

Mac and Mac deduce that since fish live in schools, they must be smart. The fish in this funny story are smart enough to outwit Mac and Mac! Cousin Meatball also gets the better of them. He convinces the brothers that if they put their snack into a toy boat, the little boat will grow into a big one. It seems to work. Or does it? Then three fish get the boys to feed them worms while avoiding Mac's and Mac's fish hooks. Oh well. Mac and Mac would rather snack on fish crackers and gummy worms anyway! The stories in this book are inspired by traditional folktales referenced in back matter. Awarded a Junior Library Guild selection for 2017
