How Does it Work?

The Now Am Paper Imaginata Children kit includes a selection of specially designed paper sheets and coloring pencils. Children can choose different activities, such as coloring a character or solving a puzzle, and then scan their creation using the app. The app recognizes the unique patterns on the paper and overlays animated characters and interactive elements on top of the real world, creating a truly immersive experience.

Unlocking the Power of Imagination

Now Am Paper Imaginata Children goes beyond traditional arts and crafts. By bringing the colorful creations to life, it encourages children to use their imagination in new and exciting ways. They can see their drawings dancing, their

puzzles coming to life, and their characters interacting with the environment around them. This innovative product sparks creativity, problem-solving skills, and storytelling abilities.

Endless Possibilities

With Now Am Paper Imaginata Children, the possibilities are truly endless. Children can explore various themes, including fairy tales, space adventures, underwater worlds, and more. Each activity offers a unique experience, ensuring that children never get bored. They can even customize their characters and backgrounds, adding their personal touch to the stories they create.

Written in rhyme, this is a story of longing for a child who has gone on her way and left the old tree behind. It gives voice to love and loss, fear and hope, death and rebirth in a new form, as it is transformed first to pulp and then to paper, the very paper from which the child reads this story. The rhymes bring forth the sounds and smells of the forest.

I remember: a gentler sound,
The forest rustling in the rain
Leaves were swirling all around
I heard soft footsteps up the lane...
