

# Old Time Railroad Stories: True Adventures, Humorous Tales, and High Melodrama

Step back in time to an era of steam, steel, and the relentless rhythm of locomotives. The old-time railroad stories are a gateway to a bygone era filled with true adventures, humorous tales, and high melodrama that will captivate your imagination and transport you to a world of excitement and intrigue.

From the wild west to the industrialized east, these stories provide a glimpse into the lives of the adventurous men and women who built and operated the railroads that connected the vast landscapes of America. With the clank of iron wheels on the tracks and the hiss of steam escaping from the engines, these tales will take you on a journey like no other.

## True Adventures

These old-time railroad stories are not just figments of the imagination; they are real-life accounts of brave men and women who risked their lives to build and maintain the railroads. From treacherous terrains to natural disasters, these stories depict the courage, determination, and resilience of those who paved the way for a modern transportation system.

Michael Gillespie applies his generous wit, dry humor, and historical insights to the school of railroading literature at the height of the steam era. Personal journals, press reports, and trade magazines all produced stories meant at the time to entertain readers... but which today offer a compelling folk history from the early days of railroads.

350 pages of railroad stories... with editorial s and commentary, dozens of historic photos, and a complete railroad glossary... make "OLD TIME RAILROAD STORIES" a true collector's edition!

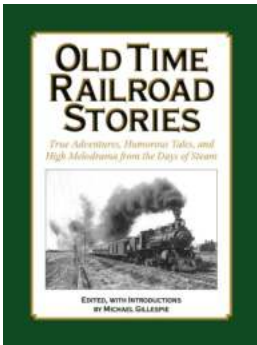

Michael is also the author of two of the river's most respected steamboat histories, "COME HELL OR HIGH WATER, A Lively History of Steamboating on the Mississippi and Ohio Rivers," and "WILD RIVER WOODEN BOATS, True Stories of Steamboating and the Missouri River," both published by Great River Publishing.

Mike served as an official Discovery Guide on the American Queen steamboat during 2007, and has been featured guest on cable television's History Channel. In April of 2012, Mike will debut on cable television's Animal Planet.
