Little does Dr. Reed know that this simple discovery will set off a chain of events that will challenge everything he has ever known. The artifact, believed to be from an ancient civilization long lost to time, holds the key to the ultimate truth of humanity's origins.

The journey unfolds as Dr. Reed, accompanied by a team of talented researchers, deciphers the cryptic messages hidden within the artifact. As they piece together the puzzle, they find themselves facing numerous obstacles, both natural and supernatural, that test their resilience and sanity.

An Odyssey Through Time

The beauty of *Out Of The Black Odyssey One* lies in its ability to seamlessly blend science fiction, mythology, and ancient history into a captivating narrative. As Dr. Reed delves deeper into the mysteries of the artifact, he uncovers connections to legendary figures from various mythologies.

From the Egyptian god Ra to the Norse deity Odin, each revelation adds a layer of complexity to the story. Summers masterfully weaves together different mythologies, presenting a fresh perspective on their interconnectedness and the role they play in shaping human destiny.

Alongside these mythological elements, *Out Of The Black Odyssey One* also explores cutting-edge scientific concepts. From quantum mechanics to space-time travel, the novel incorporates scientific theories that push the boundaries of human knowledge. Summers ensures that readers are not only entertained but also enlightened, leaving them with a sense of wonder and an eagerness to explore further.

A Memorable Cast of Characters

One of the highlights of *Out Of The Black Odyssey One* is its compelling and diverse cast of characters. Dr. Jonathan Reed leads the expedition with his wealth of knowledge and unwavering determination. His quick thinking and ability to adapt to unforeseen circumstances make him a relatable and admirable protagonist.

Joining Dr. Reed is a team of specialists, each bringing their unique expertise to the table. From linguists to historians, their combined skills ensure that no stone is left unturned in their search for the truth. Despite their differences, the team members share a deep bond, and their interactions add depth and authenticity to the overall narrative.

Furthermore, Out Of The Black Odyssey One introduces readers to intriguing secondary characters who play pivotal roles in the unfolding events. Ancient gods, mythical creatures, and enigmatic beings make appearances, instilling a sense of awe and wonder that keeps readers hooked.

Deep in blackest space, the Drasin have watched humanity’s journey to the stars —and determined that a species as barbaric as ours has no place in the cosmos.

The wreckage of the starship Odyssey, once Earth’s greatest guardian, lies strewn across New York City. Abandoned by all but its captain, Odyssey’s sacrifice covered the withdrawal of countless troops as the Drasin assault ravaged the planet. When Captain Eric Weston finally emerges from the rubble, impossibly alive thanks to the mysterious “Gaia,” he knows with the Drasin it’s kill or be killed.

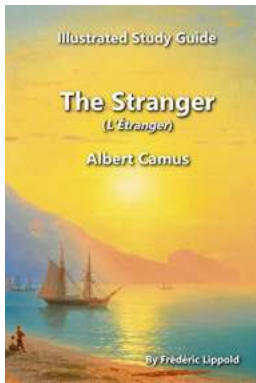

But not all of the heavens have proven hostile. The Priminae have felt the full brunt of Drasin aggression on their own home world, and they won’t leave humanity to face annihilation alone. Together with what’s left of the crews of the Odyssey and other starships, they race to join Weston and his group of Earth-bound survivors for a desperate last stand.

The final battle of the Drasin War brings bestselling author Evan Currie’s Odyssey One series to its shattering .
