On September 14, 1951, the front page of virtually every major newspaper in the United States carried the story of how B picture actor Tom Neal had brutally beaten dapper leading man Franchot Tone's face into a bloody pulp over the affections of sultry blonde actress Barbara Payton.

The sordid narrative surrounding this ill-fated triangle would have "legs". Only Franchot Tone's career would survive the disgraceful events. Barbara Payton would soon descend into a desperate world of drugs and prostitution and, in the 1960s, Tom Neal would be prosecuted for first degree murder.

B MOVIE dramatizes the most notorious scandal to hit Hollywood during the first half of the 1950s.
