The school remained hidden from the mortal world for many years until one fateful night when a young child named Emma Dalton stumbled upon its enchanting gates. Driven by curiosity, she opened the grand entrance and found herself immersed in a magical world unlike any she had ever seen.

## The Curriculum: Unleash Your Imagination

## Maplewell Hall School – broad, balanced and inclusive curriculum

At Popplewell Hall, students are encouraged to explore and embrace their wildest dreams. The curriculum transcends traditional boundaries, offering a diverse range of subjects that ignite the imagination. From mastering spells and potion-making to learning the art of telekinesis, students are constantly pushed beyond their limits to unlock their hidden potential.

One of the most renowned courses offered at Popplewell Hall is the "Unseen Realms Exploration." Under the guidance of experienced mentors, students delve into the mystical dimensions that exist parallel to our own reality. They learn to connect with ancient spirits, navigate through illusionary realms, and harness the elemental forces that shape the universe.

## **Extraordinary Faculty Members**

The true magic of Popplewell Hall lies within its exceptional faculty members. Each professor possesses extraordinary talents and expertise that they lovingly share with their students. From the highly intuitive Professor Aurelia, who can predict the future, to the whimsical Professor Magnus, who can shape-shift into any creature, the faculty members at Popplewell Hall ignite a spark of wonder in every student.

One cannot forget to mention the legendary Headmaster himself, Dr. Alistair Popplewell. Rumored to be over a century old, he still actively participates in shaping the minds of the young dreamers. His wisdom, combined with an infinite well of knowledge, makes him an unparalleled source of inspiration and guidance.

## **The Grand Finale: The Night of Wonders**

Every year, Popplewell Hall holds a grand event known as the "Night of Wonders." This magical gala showcases the achievements and talents of the students. It is a night filled with breathtaking performances, captivating illusions, and awe-inspiring displays of impossible feats.

During this memorable event, the students become the stars of the show. They showcase their newfound abilities, leaving the audience in sheer amazement. The Night of Wonders is a visual spectacle that reminds everyone present that where there was doubt, now only endless possibilities exist.

## **Enrollment and Admission**

Are you ready to step into a world where possibilities are boundless? Admission into Popplewell Hall is a highly coveted opportunity for dreamers who dare to explore the realm of impossible things. To apply, candidates are required to submit a written statement expressing their deepest desires and how they envision themselves shaping the world through their newfound abilities.

A limited number of scholarships are available for extraordinary individuals who demonstrate exceptional potential. The admissions process includes an interview with Dr. Alistair Popplewell himself, where he evaluates the candidates' aptitude, creativity, and determination.

Popplewell Hall - The School of Impossible Things, is an extraordinary place where dreams and reality intertwine. When Katy Duncan begins school at Popplewell Hall, she's expecting it to be unusual. After all, it has animals roaming free, a resident ghost, and classes on “Dream Mastery” and “Talking with Cats”. Still, Katy’s sure she can handle it – with the help of her cat, Osmund, and her friends, Jack and Griselda. But when Katy hears mysterious knocking at night, she discovers that something strange, and almost impossible, is happening at Popplewell Hall. Soon, a magic-filled plot spanning the school’s past and present begins to unfold. And Katy, Osmund, Jack and Griselda are at the heart of it. In Part 1 of Popplewell Hall: The School of Impossible Things, readers are immersed in an enthralling world that is half boarding school – with dorm friends, quirky teachers, and sports matches – and half magical fantasy – with wizards and wands and a dark threat looming over the school.
