Marilyn Coffey in her libidinous book *Pricksongs* recreates her youthful freedom from sexual taboos. Her steamy poems are as crazy, diverse, risqué, and turbulent as *The Sixties* when she wrote them.

he was slight of

build and/ liked/ to

have his ear bitten

Make Love, Not War advised the slogan, and she did.

'member

when you strummed me

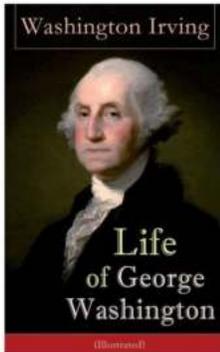

like a bass viol

in the bath tub?

Some funny, some passionate, some provocative, Coffey's poems will sweep you back to a decade when gaudily painted Flower Power buses roamed the streets when mini skirts, bell-bottoms, and love beads adorned bodies when The Pill and sexual liberation were new.

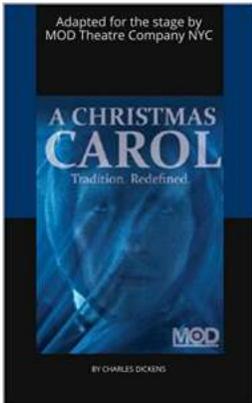

Named after her Pushcart Prize winning poem, *Pricksongs* is Coffey's second poetry book. She has also published a biography, *Mail-Order Kid*; an essay

collection, Great Plains Patchwork; and Marcella, the first novel written in English that used masturbation as part of its main theme. Coffey's work has been read in Canada, England, Australia, Denmark, Japan and India.
