Quilting with 12 and 10 treasures refers to a style of quilt-making that incorporates a specific pattern. The treasures in this context are the fabrics used to piece together the quilt. The pattern consists of 12 or 10 different fabric treasures, carefully selected to create a visually striking and harmonious design. Each fabric treasure adds a unique element, whether it's a color, texture, or pattern, resulting in a quilt that is as beautiful as it is captivating.
