## Diving into the Story

The story begins with our protagonist, Alex, a young and curious historian who stumbles upon a mysterious relic - an ancient compass infused with unfathomable powers. Little does Alex know that this compass holds the key to traveling through time, enabling them to rewrite history and shape the future.

## **Time Traveling with Marco Polo**

As Alex embarks on their time-traveling expedition, they find themselves transported to the heart of Marco Polo's adventures. From the bustling markets of Constantinople to the majestic palaces of Kublai Khan, Alex experiences the sights, sounds, and smells of Marco Polo's era firsthand. The vivid descriptions take the reader on a vivid journey, immersing them in the fascinating world of the past.

## **Alternate Timelines and Missions**

Guided by the compass, Alex discovers that altering history is not only possible but necessary to correct certain events that could potentially change the course of humanity. The readers are given the power to make crucial decisions, solving puzzles, interacting with historical figures, and shaping the outcome of the story. Each decision leads to an alternate timeline, offering infinite possibilities and ensuring a truly immersive experience.

## **A Modern Twist**

As Alex traverses through time, they encounter unexpected twists and turns, not only in the past but also in the future. The story incorporates elements of science fiction, seamlessly blending history with futuristic concepts. From hoverboards in Venice to holographic markets in the Far East, the readers are taken on a mind-boggling journey, challenging their perception of time and space.

## **Unearthing Hidden Secrets**

Throughout the adventure, Alex uncovers hidden secrets and forgotten knowledge that were lost to time. Ancient civilizations, mythical creatures, and encrypted messages will keep readers engaged, pushing them to decipher clues and solve riddles, forging paths towards discovery.

## The Power of Collaboration

Time is broken – again...

Yesterday, in the 12th century, Carly, Theo and Will, together with Iggy (Time Force Agent Ignatius P. Torres), made sure Temujin would make the Silk Road

safe. And Marco Polo did use it to make his 24 year journey to China.

However, he still hasn't told anyone about his trip...

In the 14th century, European explorers, traders, and everyday people learned about the wonders of China, its science and luxuries, by reading The Travels of Marco Polo. But in this timeline, he never wrote the book. Can the trio help Marco Polo tell his story before all the European traders and explorers decide to stay home without fireworks, coal or paper money?

Join the trio as they race against the clock in their third of many adventures, repairing mysterious breaks in the timeline that could change our history forever.
