What could be more fun than sitting around looking at nude photos all day, designing adult websites and getting paid for it? You guessed it... pretty much NOTHING!

If you are a freelance designer or an aspiring entrepreneur and have ever played with the idea of "doing adult" or have wondered what it would be like to start your

own adult design business, then "Shocking Secrets of Adult Design" was written for you.

This handbook contains 12 years of adult design and marketing secrets wrapped up and served up to you on a silver platter. Topics include:

- How the author got started as an adult designer.
- Some very important questions to ask yourself BEFORE you get started.
- The benefits of running an adult design business.
- His top secret strategies for dominating the competition and building a successful adult design business.
- What a typical day as an adult designer is all about.
- How to get started the right way by learning the basics of the adult industry in 2012.
- How to identify and avoid some very common, and often times, very costly legal mistakes most people make when getting started.
- The real secrets of fetishes and niches and how it can help you dominate the competition.
- The right way to build your portfolio.
- A fast and easy, sure fire method for getting your first adult design clients.
- How he uses social media to tap into a limitless flow of major adult industry clients and how to keep them once you get them.
- The secrets of pricing, billing & time management.
- How to develop a system to create a steady stream of income even when you aren't working.

- Unconventional, super secret tactics to help you carve out your own unique and profitable niches within the adult industry.

If you're looking for marketing rainbows and unicorns or social media kumbaya, well this book isn't for you. (Unless maybe you want it flogged and crushed by a tall, busty, assertive mistress, clad in black latex and 6-inch steel-tipped heels!)

If, however, you are looking for an uncensored, hands on perspective based on REAL experience on what it takes to start and market a profitable adult design business, then check out this book! You've NEVER read a marketing book like this before.
