At a young age, Norbert displayed an exceptional talent for writing. Inspired by his passion for history, he began to pen captivating tales that would transport readers back in time, immersing them in the events that shaped the Philippines.

A Journey Through Time and Words

As Norbert Mercado's career flourished, he published numerous novels that depicted different periods in Philippine history. Through meticulous research and vivid storytelling, he brought these eras to life.

One of his notable works, "Tatak Ang Buhay: The Life and Times of Heherson Alvarez," provides an intimate portrait of a key political figure during the Martial Law period. This captivating read not only educates readers but also sparks important conversations about the country's political landscape.

In another groundbreaking novel, "The Last Romanov," Mercado takes us on an exhilarating journey to Russia during the dawn of the 20th century. This historical fiction masterpiece offers a fresh perspective on the Romanov dynasty and the enigmatic disappearance of Anastasia Romanov.

The Power of His Words

Norbert Mercado's ability to seamlessly blend historical facts with gripping narratives has earned him a loyal following. His readers eagerly await each new release, eager to be transported to a different era and experience the stories through his unique lens.

With an unwavering commitment to accuracy and authenticity, Mercado's novels have become valuable educational resources. Teachers and students alike find his books engaging tools to explore and understand the complexities of Philippine history.

A Lasting Legacy

Beyond his prolific writing career, Norbert Mercado has made significant contributions to the study of history. He is a respected historian, lending his expertise to documentaries, seminars, and lectures.

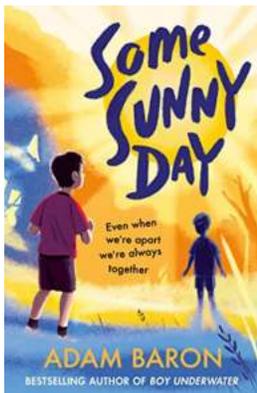

His passion for preserving the stories of the past has been recognized through prestigious awards, including the Gawad Likhaan ng Lahi Lifetime Achievement Award. Mercado's dedication to bringing history to life has left an indelible mark on the literary and historical community.

In

With his compelling novels and relentless pursuit of historical accuracy, Norbert Mercado has established himself as one of the most influential Filipino historians

and novelists of our time. Through his words, readers can explore the rich tapestry of the Philippines' past, gaining a deeper appreciation for its heritage and culture.

So, if you're in search of a thrilling historical journey, look no further than Norbert Mercado's works. Prepare to be captivated, educated, and inspired as you delve into the world of *Some Sunny Day* Norbert Mercado.

A funny and incredibly moving new novel of our times by one of the most talented children's book authors working today, perfect for fans of *Wonder*, *Frank Cottrell-Boyce* or *The Boy at the Back of the Class*.

Cymbeline Igloo is BORED. Bored of home learning, bored of lockdown, bored of not being able to DO anything. And to make things even worse, his mum accidentally gave away his favourite football shirt.

But then Mrs Stebbings, the beloved school cook, is taken into hospital, and suddenly coronavirus seems much closer to home. When Cym starts a project all about Mrs Stebbings' childhood in World War II, he can't know that it's the beginning of something incredible and even dangerous.

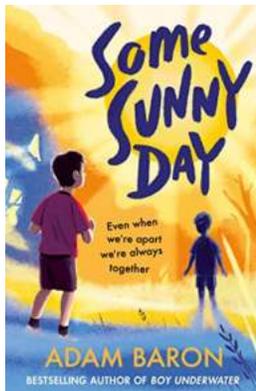

Exploring the place where her street once stood, he finds a tent, a strange girl wearing HIS SHIRT, and a mystery that will change absolutely everything. Because the past is more present than Cymbeline can possibly know – and the most amazing thing is how much one small person can do RIGHT NOW...

Some Sunny Day is a story of hope, kindness and the history we all make every day, no matter who we are.
