Materials Needed

Before you start, gather the following materials:

- Worsted weight yarn (choose a color of your preference)
- Size 6mm knitting needles
- Stitch markers
- Tapestry needle
- Pom pom maker (optional)

Pattern Instructions

Follow these step-by-step instructions to create your own Extra Warm Earflap hat:

1. **Cast On:** Start by casting on 90 stitches using your chosen yarn color.

2. **Band Row:** Knit 2 purl 2 (k2, p2) ribbing for 2 inches to create a snug band that will keep the hat in place.
3. **Main Body:** Switch to stockinette stitch (knit 1 row, purl 1 row) for the main body of the hat. Continue until the hat measures approximately 6 inches from the cast-on edge.
4. **Earflap Placement:** Divide your stitches into three equal parts. The center third will be the main body, while the outer thirds will be the earflaps. Place stitch markers to indicate the beginning and end of the earflap sections.
5. **Earflap Knitting:** Knit the earflaps separately in stockinette stitch for approximately 2-3 inches. Decrease 1 stitch at each end of every row until you have 4 stitches remaining. Cut the yarn, leaving a long tail. Repeat for the other earflap.
6. **Join Earflaps:** Knit across all stitches, including the earflaps, using the main yarn color. Continue in stockinette stitch for an additional 3 inches or desired length.
7. **Decrease Rows:** Reduce the number of stitches gradually by knitting two stitches together (k2tog) at the beginning and end of each row until only a few stitches remain.
8. **Finishing Touches:** Cut the yarn, leaving a long tail. Thread the tail through the tapestry needle and weave it through the remaining stitches to secure them. Create a pom pom using the pom pom maker and attach it to the top of the hat for added flair.
