Who are Sukku and Jikku?

Sukku and Jikku are two friendly characters who turn numbers into friends. They believe that math should be enjoyable, and with their unique approach, they make learning multiplication a breeze. Sukku is a mischievous squirrel, and Jikku is a curious gazelle. Together, they embark on exciting math adventures while teaching students the skills they need to become multiplication masters.

How does Sukku and Jikku's Speed Multiplication method work?

Sukku and Jikku's Speed Multiplication method revolves around the number 11. It's a remarkable fact that multiplying any two-digit number by 11 is incredibly simple! By using a few easy-to-remember patterns, Sukku and Jikku teach you how to calculate answers to multiplication problems with lightning speed.

For example, let's take the number 25. To multiply it by 11, you can place the digits 2 and 5 next to each other. The result is 275. It's as simple as that! Sukku and Jikku introduce several such patterns that enable you to calculate answers for various multiplication problems involving 11.

Why is Sukku and Jikku's Speed Multiplication method effective?

Sukku and Jikku's method is effective because it taps into the power of visualization and patterning. Many students struggle with multiplication because they try to memorize long tables without understanding the underlying logic. With Sukku and Jikku, you not only learn the patterns but also understand why they work. This approach enhances your number sense and makes multiplication more intuitive and enjoyable.

Moreover, Sukku and Jikku make the learning experience highly interactive and engaging. They provide plenty of examples, exercises, and puzzles that keep you hooked throughout the process. By actively involving you in the learning journey,

Sukku and Jikku ensure that you grasp the concepts effortlessly and retain them for long-term use.

Don't miss out on the fun!

Learning math doesn't have to be dull and boring. Sukku and Jikku's Speed Multiplication method revamps the traditional approach, injecting excitement and joy into the learning process. Say goodbye to tedious multiplication drills and hello to an adventure with numbers!

So, why wait? Join Sukku and Jikku on their mathematical quest and unlock the secret to mastering multiplication. Whether you're a student struggling with math or an adult looking to brush up on your skills, Sukku and Jikku's Speed Multiplication method is for you. Get ready to multiply your math fun and become a multiplication champ!
