Why Choose CGP KS1 Science?

1. Comprehensive Content:

CGP KS1 Science books cover all essential science topics, including plants, animals, materials, and physical processes. Each topic is explained in a simple and engaging manner, making it easier for children to comprehend.

2. Clear Explanations:

The books provide clear explanations with the help of vibrant illustrations and diagrams. Complex scientific concepts are broken down into manageable chunks, ensuring children grasp the fundamental principles of science with ease.

3. Interactive Activities:

CGP KS1 Science includes a variety of hands-on activities and experiments that allow children to apply their knowledge practically. These activities help in the development of critical thinking and problem-solving skills.

4. Practice Questions:

To gauge understanding, CGP includes practice questions at the end of each chapter. These questions encourage children to apply what they have learned and reinforce their knowledge of scientific concepts.

The Benefits of Using CGP KS1 Science at Home

1. Flexible Learning:

With CGP KS1 Science books, you have the flexibility to adapt the learning schedule according to your child's needs. Whether you choose to cover one topic per day or dedicate longer periods, you have complete control over the pace of learning.

2. Independent Learning:

The books are designed to be user-friendly, allowing children to learn independently. The language used is simple and appropriate for young learners, enabling them to understand the content without constant adult supervision.

3. Learning Support:

For parents who may not be familiar with scientific concepts, CGP KS1 Science provides comprehensive learning support. Clear explanations and helpful tips are provided throughout the books, allowing parents to assist their children when needed.

4. Confidence Building:

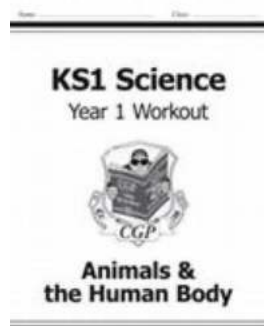

By using CGP KS1 Science, young learners gain confidence in their scientific knowledge and develop a love for the subject. The engaging activities and

colorful illustrations keep children motivated and interested in exploring the world of science.

CGP KS1 Science books offer an exceptional opportunity for children to catch up on their science curriculum while learning from the comfort of their homes. With its comprehensive content, clear explanations, interactive activities, and practice questions, CGP provides an invaluable resource for parents and children alike.

So, what are you waiting for? Empower your child's learning journey with CGP KS1 Science today!

This CGP Workout book is packed with practice covering everything Year 1 pupils (ages 5-6) need to know about Plants and the Seasons - all clearly laid out with plenty of space for writing answers. There's a range of questions for each topic, with a mixed section at the end of the book that tests children on everything they've learned. Practical mini-projects are also included to help them develop their scientific investigation skills. Answers to every question are included on the

pull-out centre pages, along with a useful A3 poster that pupils can colour in. CGP Year 1 Science Workout books are also available for: Animals and the Human Body (9781782942320) and Everyday Materials (9781782942337).
