Use this pattern booklet to make this FAST, soft and cottony hat for a darling little baby headed on on a summer outing! It is a pattern which makes a baby hat which is lightweight and cool, mostly due to the material it is made of: 100% cotton crochet thread in size number 10. Yet you WON'T be using a thread crochet hook, but a large traditional aluminum crochet hook in size K (6.50 mm)

This is wonderful, because you have the beautiful detail, nubbiness and non-fuzzy coolness of thread, but the ease and speed of a nice large hook!

You have the option of working the hat body in solid double crochet (as in the blue example), or with a decorative and easy shell stitch insert halfway down the body of the hat.

You also have the option of a simple chained or single crocheted tie to keep the hat on your darling baby, and even a simple thread crochet flower to sew on the side.

About Materials:

You'll need two balls of no. 10 cotton crochet thread. You'll also need a size K (6.50 mm) and a size G (4.25 mm) aluminum hook.

Permission to sell crafts made from this pattern set is, of course, included with this book; however, please do not pass around the patterns themselves, as they are my own copyrighted designs.
