How to Get the Most Out of the Conference?

To make the most of your participation in the Aagbs International Conference On Business Management, follow these tips:

1. Plan Ahead:

Review the conference agenda and choose the sessions that align with your interests and professional goals. Prioritize attending workshops and panels that address areas you wish to develop or enhance your knowledge in. Plan your schedule accordingly to ensure you make the most out of your time at the conference.

2. Engage and Connect:

Take advantage of the networking opportunities available. Attend social events, join discussion groups, and engage in conversations with fellow attendees. Active participation will enhance your experience, expose you to different perspectives, and enable you to build lasting relationships within the business community.

3. Take Notes and Ask Questions:

Carry a notebook and pen to jot down key takeaways, and don't hesitate to ask questions during sessions. Engaging in dialogue with speakers and experts can provide valuable insights and allow for a deeper understanding of the topics discussed.

4. Network Beyond the Conference:

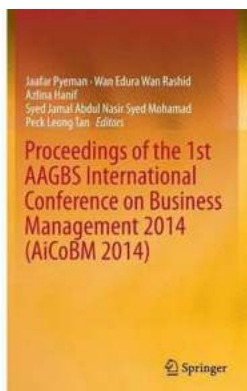

Extend your networking efforts beyond the conference itself. Connect with fellow participants on professional networking platforms like LinkedIn to continue building relationships and stay in touch with potential collaborators and mentors.

The 1st Aagbs International Conference On Business Management is your gateway to exploring the future of global business. Attend this highly anticipated event to unlock new opportunities, gain valuable insights, and connect with industry professionals and academics at the forefront of business management. With a diverse range of topics and engaging sessions, this conference promises to empower you with the knowledge and skills needed to excel in the rapidly evolving business landscape.

Don't miss out on this exceptional opportunity! Register for the 1st Aagbs International Conference On Business Management today and take your business management journey to the next level.

The proceedings of the 1st AAGBS International Conference on Business Management 2014 (AiCoBM 2014), held in Penang, Malaysia, gathers 57 refereed papers. They cover areas relating to various aspects of business management and reflect the conference's three main themes (management and marketing, economics and finance, and entrepreneurship) and present original papers contributed by researchers, scholars, professionals and postgraduate students. They address a range of disciplines that encompass each of the main themes. Using basic and applied research findings together with case studies they provide valuable information on current research trends in business management, international business, marketing, economics, finance, Islamic finance and economics, and entrepreneurship.
