Word Wise	: Enabled
Print length	: 345 pages
Item Weight	: 12 ounces
Dimensions	: 5.28 x 1.26 x 7.99 inches

This landmark collection of essays by one of the world's greatest living authors makes Durs Grünbein's wide-ranging and multifaceted prose available in English for the first time, and is a welcome complement to *Ashes for Breakfast*, his first book-length collection of poetry in English.

Covering two decades, *The Bars of Atlantis* unfurls the entire breadth and depth of Grünbein's essayistic genius. Memoiristic and autobiographical pieces that introduce Grünbein, the man and the author, and tell the story of the making of a poet and thinker toward the end of a century marked by global political strife, unprecedented human suffering, long decades of totalitarian rule, and, in its final quarter, the dawn of a new, post–Cold War world order; essays that focus on

Grünbein's major philosophical and aesthetic concerns, such as the intersection of art and science, literature and biology; extended reflections on the existential, cultural, political, and ethical import of the poet's craft in the contemporary world; and, finally, explorations of the meaning of classical antiquity for the present—all contribute to making.
