The astonishing story of martial arts legend Bruce Lee . . . told in spectacular graphic form.

Bruce Lee was born on November 27, 1940 -- in both the hour and the year of the dragon. Almost immediately, he was plunged into conflict: as a child in Hong

Kong as it was invaded and occupied by the Japanese; as the object of discrimination and bullying; and as a teenager grappling against the influence of gangs.

As the world knows, Lee found his salvation and calling through kung fu -- first as a student, then as a teacher, and finally as a global star. The Boy Who Became a Dragon tells his story in brilliant comic form.
