While bringing joy to others, can these two Christmas helpers also find some for themselves?

Seren's great aunt Nelly hates being in a care home, especially around Christmas when Seren learns that Nelly and the other residents can't enjoy the simple pleasure of browsing for gifts in the shops. So what if Seren brings the shops to them?

Converting an ice cream van into a gift shop, Seren travels around Tinstone to help out the less mobile. On her journeys, she keeps bumping into a reluctant – and handsome – Father Christmas, who has been roped into helping out this festive season.

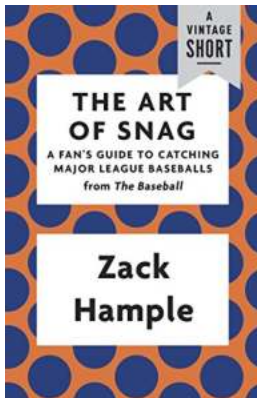

But running her own business comes with risks and surprises that Seren's not sure she's able to tackle. Has she bitten off more than she can chew, or will her travelling Christmas shop provide some much-needed festive cheer for the residents of Tinstone?

A delightfully heartwarming and funny festive romance for fans of Rebecca Raisin and Sue Moorcroft.
