

The Deceivers: Historical Fiction for Teens

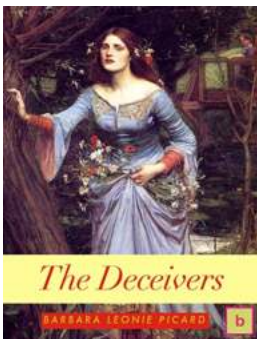

Historical fiction has always captivated readers, transporting them to different periods in time and allowing them to experience the events, culture, and emotions of our ancestors. Among the vast array of historical fiction books available, one captivating series has gained significant attention, especially among teenagers - "The Deceivers". With its engrossing storylines, relatable characters, and

accurate historical backdrop, "The Deceivers" has become a must-read for any teen craving an exciting journey through history.

Uncovering Secrets through the Ages

"The Deceivers" series, penned by acclaimed author Sarah Adams, takes readers on thrilling adventures spanning different eras. From the Middle Ages to World War II, Adams weaves intricate plots filled with mystery, intrigue, and unexpected twists.

The first installment, "The Deceivers: Secrets of the Forbidden Palace," introduces us to Eleanor, a cunning young girl living in the Elizabethan era. Eleanor finds herself caught in a web of espionage and treachery, tasked with infiltrating the Queen's court. As you navigate through the pages, you become immersed in the tense atmosphere of underground societies and political conspiracies, feeling Eleanor's desperation to unravel the secrets that could change the course of history.

Immersive Historical Accuracy

What sets "The Deceivers" apart from other historical fiction books is the author's meticulous attention to detail. Sarah Adams extensively researches each period, ensuring that the customs, clothing, and even the smallest historical events are accurately depicted. This dedication to authenticity enhances the reader's experience, making them feel as though they have stepped back in time and are witnessing these significant moments firsthand.

For example, in "The Deceivers: The Secret Society of the Sun," the second installment of the series, Adams takes us to Ancient Egypt during the reign of Cleopatra. Through her vivid descriptions, we are transported to the majestic civilization, discovering the intricacies of Egyptian culture, religion, and political intrigues. The author's attention to detail paints a rich tapestry of historical accuracy, captivating readers from start to finish.

Characters that Resonate with Teens

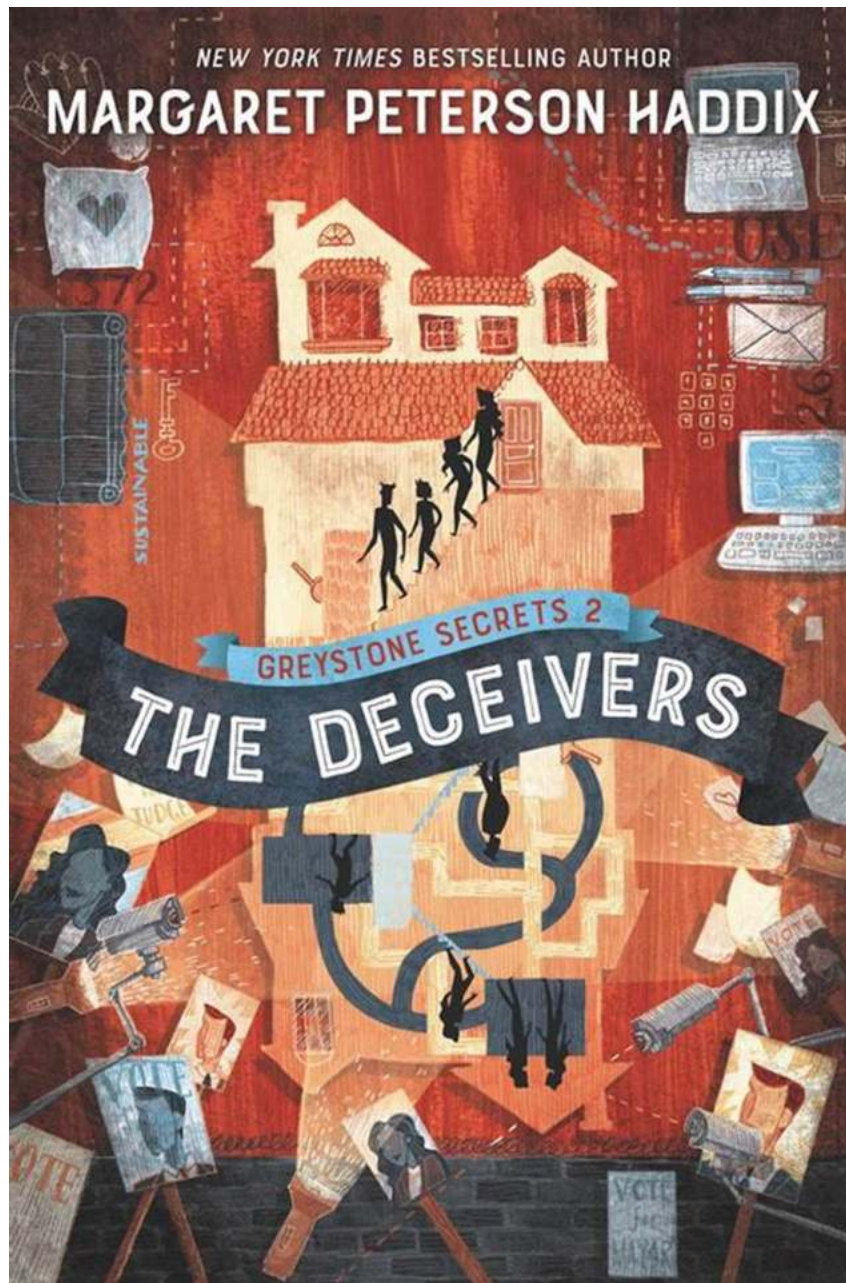

In addition to captivating historical settings, "The Deceivers" also boasts a cast of intriguing and relatable characters. Sarah Adams breathes life into each protagonist, giving them depth, flaws, and dreams that resonate with teenage readers.

Readers will find themselves following the footsteps of Emma, a young woman living during the French Revolution, as she fights for justice and finds love amidst the chaos. In another installment, they will be transported to colonial India, joining Raj, a brave teenager who defies societal norms to stand up against oppression during British rule. These compelling characters allow teens to relate to the challenges, courage, and resilience that people faced throughout history.

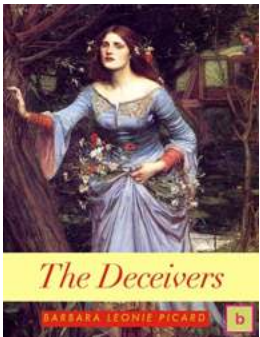

The Deceivers: The Perfect Blend of Education and Entertainment

One of the greatest strengths of "The Deceivers" series is its ability to educate young readers while entertaining them. Through the thrilling narratives, readers absorb historical knowledge almost effortlessly. As they are engrossed in the storylines, they also gain insights into different cultures, customs, and social dynamics, expanding their understanding of the world and fostering a love for history.

Furthermore, educators and parents alike appreciate the series' ability to spark curiosity and encourage teens to delve deeper into historical events presented in the books. The accurate portrayal of historical periods serves as a springboard that motivates young readers to explore topics further, facilitating their learning journey both inside and outside of the classroom.

In a world where teenagers often find it challenging to connect with history, "The Deceivers" series stands out as a beacon of engaging historical fiction. With its captivating storylines, accurate historical portrayal, relatable characters, and educational value, this series offers a gateway to the past, allowing teens to immerse themselves in captivating tales while broadening their understanding of our shared history.

To avoid a forced marriage, sixteen year old Alison flees from home with her younger brother. A young knight who has seen her once and fallen in love with her, aided by his servant, traces and catches up with her in a moment of peril. Pleased to have two protectors, she chooses to hide in a dangerous woodland. In spite of his servant's warnings, her knight stays with her. Disaster strikes and the two young people are forced to recognise their responsibility for the tragic consequences.

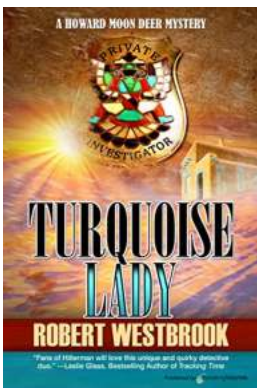

Barbara Leonie Picard was born in England in 1917 of mixed German-

Venezuelan and French parentage. A long time resident of Lewes, Sussex, England, she died in 2011 at the age of 93. Several of her books were short-listed for the Carnegie Medal, and were selected as Notable Children's Books by the American Library Association.
