DISGRACE

This is the story of Grace, a woman who barely survives a heart wrenching childhood and an abusive first relationship. She leaves home on her eighteenth birthday, changes her name (Sam) and starts a new life.

A chance meeting with Leon sets her on a path to become Queen of the London club scene. As Mistress Selina, she can bring any man to his knees without so much as a crack of her whips.

A one-night stand at a friends wedding with Jason becomes so much more than she bargained for.

Jason Sinclair, is the dominant alpha male club owner and king of kink in the London sex scene. Rich and possessive, he secretly buys the club where she works to protect what he sees as his. His proposition is simple – he wants her to submit to him.

But “Two Doms don’t make a right. We would not play well together.” Our sassy heroine has been hurt before: Can she risk it all again?

As the two start this steamy romance together, Sam’s past comes back to haunt her. Their future is filled with danger and uncertainty.

Can the two overcome all to have their extraordinary HEA?

DISGRACEFUL -

The dust settles on the steamiest night in her life, a fantasy-fulfilling experience that not only brought Sam back to life, but also laid her brutal demons to rest. Her

lust for life returns with her irrepressible passion and she embraces the changes in her life, almost without reservation...almost.

Jason Sinclair is just the Dominant to take a woman like Sam on. She's fearless and feisty, but when she lost herself, he nearly lost her all over again. By giving her that one night, he became more than her savior...he became her everything. Opening her up to what the future could hold with a potential life of hedonistic heaven together.

Or could one fantasy have been too far? Can the two super kinky souls really settle down together?

As much as Sam dreams of a happily ever after, she's much too realistic and can't seem to shake the dark clouds of doubt rolling in. Is the promise of domestic bliss bound to be cursed from day one or does the King of Kink have more tricks up his sleeve?

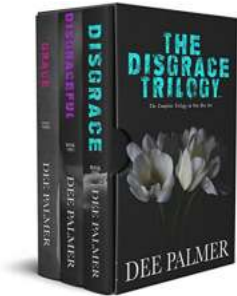

Grace -

Surprise is the understatement of the year and it hits Sam and Jason like a freight train.

Rocked and shocked, Sam needs to determine if this is a really good surprise, because as much as she loves Jason, any future they may have together could be doomed if he's not 100 percent all-in. She can't afford to settle for anything less since there's so much at stake now.

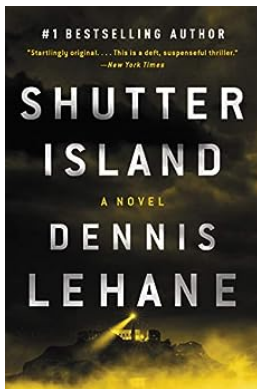

Jason Sinclair will stop at nothing to protect the woman he loves and keep her safe and shielded when ghosts of her brutal past rear their ugly head.

Truth is the biggest challenge these two face when confronted with the future, a truth in which Jason made his position crystal clear on. Will he test this hard limit to the point of destroying what is between them? Or will he save them both?
