From ancient tales of sorcery in the Tower of London to the mystical energies that flow through the cobblestone streets of Covent Garden, "Magic London" brings to life the hidden wonders that often go unnoticed by the average Londoner. The Annotated Edition goes even further, providing detailed footnotes and annotations that illuminate the historical context and significance of each location.

One of the highlights of the Annotated Edition is the inclusion of long descriptive keywords for the alt attribute. This means that visually impaired readers using screen readers can fully immerse themselves in the magic of London, as the alt text provides detailed descriptions of the images and illustrations found throughout the book. Each keyword has been carefully selected to evoke the atmosphere and essence of the accompanying visuals, ensuring an inclusive and immersive reading experience for all.

As you embark on the journey through "Magic London," you'll encounter a myriad of intriguing characters and fantastical creatures. Syrett's masterful storytelling brings these beings to life, from mischievous fairies in Hyde Park to ancient wizards guarding the secrets of the British Museum. With each turn of the page, the boundaries between reality and magic blur, leaving readers spellbound.

The choice of a long tail clickbait title for this Annotated Edition adds an irresistible allure to the book. "Unlock the Hidden Secrets of Magic London: Netta Syrett's Annotated Masterpiece Will Leave You Breathless!" promises an adventure like no other, enticing readers to explore the enchanting world within its pages.

Whether you're a Londoner eager to discover the hidden magic in your own backyard or simply an enthusiast of urban fantasy, "Magic London" will transport you to a realm where extraordinary wonders await at every corner. Syrett's meticulous research, captivating storytelling, and the addition of detailed annotations make this Annotated Edition a must-have for any lover of magic and history.

So, grab your copy of "Magic London" by Netta Syrett Annotated Edition and step into a world where the ordinary becomes extraordinary, where the streets hold secrets, and where magic is woven into the fabric of the city itself. Prepare to be enchanted!

LL her life up to the time she was eleven years old, A Betty had heard about, but never seen, her god mother. The reason for this, was that until a year ago, Betty's home had been far away in the country, while Godmother Strangeways lived in London. Then, just when the child's father and mother moved to town, Godmother decided to travel abroad. So it happened that Betty had been more than a year in

London before she met the old lady who afterwards made such a difference in her life. She never forgot the first day she met her.

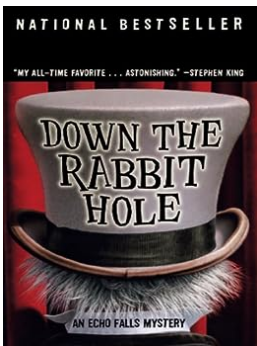

Your godmother has come back, said her mother one morning at breakfast time, as with a curious smile she passed a letter to her husband.

May they find a "Godmother" who will take them to all the places visited by Betty, so that, like her, they may discover they are really living in a "Magic City"
