The team behind DC Comics LIL' GOTHAM takes readers to the halls of Ducard Academy in Gotham City, where a young Batman, Superman, and Wonder Woman start their very own Junior Detective Agency!

Young Bruce Wayne is the new kid at Ducard Academy, a prep school for gifted middle school students. Bruce finds out pretty quickly that he doesn't fit in: the faculty seems to not just encourage villainous behavior from its students, but reward it. He makes friends with two other outsiders, farm boy Clark Kent and the regal Diana Prince. The three band together to form a detective squad to find out why all of these extraordinary kids have been brought together at Ducard Academy, and to see just what the faculty is plotting.

An all-new series from the Eisner-nominated team behind Batman Lil' Gotham (Dustin Nguyen and Derek Fridolfs), Secret Hero Society uses comics, journal entries, and doodles to reimagine Batman, Superman, and Wonder Woman as

three students in the same school. They'll try their best to solve their case, but just because you're faster than a speeding bullet, more powerful than a locomotive, or an Amazonian princess, it doesn't mean you get to stay up past eleven.
