The English Lesson is an inspirational novella set in the sun drenched climes of a sleepy Greek Village. As we find ourselves amongst the interwoven lives of those who live there, we follow the bravery of one lady who, in her older years, is yearning to make a final dream come true.

Toula receives an invitation to her granddaughter's third birthday and to attend means venturing out on a trip from her beloved Greece to England where her daughter's family have settled.

Her husband refuses to go, and after years in a controlling marriage, Toula understands that means she also cannot go. But now, after a lifetime of having the decisions made for her, of being voiceless and unappreciated, Toula decides to take matters in to her own hands.

As plans for her future start to transpire, long lost feelings of rejuvenation and determination come flooding back to her. Life in the rut is no longer enough.

But will Toula find a way to finally stand up and do what she wants to do? What extremes will she go to? And will she be prepared to accept the consequences?

In a story of transformation against the odds and deciding that it is never too late, find out if Toula will at last be reunited with her family.
