The Legends Unfurled

From creepy lighthouses to haunted inns, Cape Cod is a palimpsest of eerie tales and spectral encounters. One such legend surrounds the Highland Light in Truro.

Another haunted spot is the Old Yarmouth Inn, where guests have reported encounters with a mischievous spirit known as "Elsie." Elsie is said to be a former mistress of the inn's owner in the 18th century who tragically died in a fire. Visitors have witnessed furniture moving on its own and felt an unseen presence lingering throughout the building.

A Ghostly Stroll through History

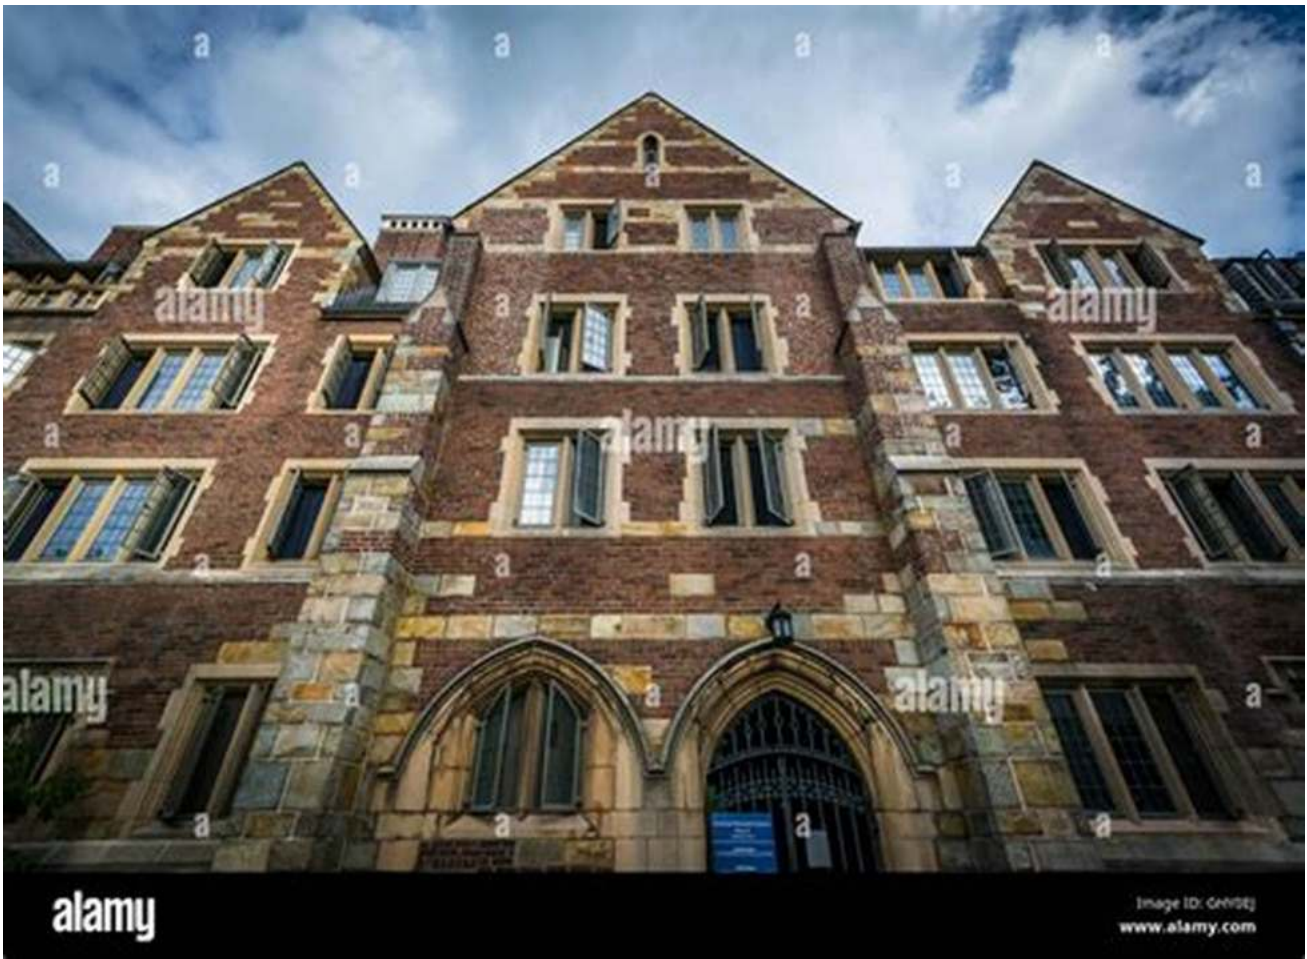

The historical significance of Cape Cod fuels its haunting atmosphere. In Provincetown, the ghost of a renowned American playwright, Eugene O'Neill, is said to wander the streets at night. O'Neill, who crafted several of his notable works in this picturesque town, seems to have found eternal inspiration in its haunting beauty.

Perhaps one of the most chilling tales is that of the Lady of the Dunes in Provincetown. Found dead in 1974, her identity remains a mystery. Some believe she was murdered by a notorious serial killer, while others speculate a connection to the mob. Regardless, her ghost is said to roam the dunes, silently beckoning those who dare to seek her out.

Haunted houses are a staple among paranormal enthusiasts, and Cape Cod boasts its fair share. The Jonathan Edwards Inn in Dennis is infamous for its resident ghost, who is believed to be the former owner of the property. Guests have reported hearing phantom footsteps, doors slamming shut, and whispers in empty rooms.

The Colonial Inn in Yarmouth Port, with a history dating back to 1710, is rumored to be inhabited by several ghostly entities. Shadowy figures have been sighted in the hallways, while mysterious voices and the clinking of glasses have been heard coming from the empty dining rooms.

Historic Cape Cod has 15 towns, stretching from Bourne to Provincetown. Each town and village has ghosts and many stories to tell about them. In this book, the author has chosen some of the lesser known, but fascinating apparitions, such as The Ghost of the 13 Churches - Dr. Abner Hersey: Ahsoo, the Native American girl who sings with a voice of gold but has a face like a fallen log: and the 300 year old parson who sneaks into people's yards to snatch posies from their flower boats. These and many other legends are included by the author, who visited many of the sites himself and not only wrote the stories, but also took a number of the more than two dozens photos that are included in the E-book edition. (The print edition does not have the pictures). In one of the most fascinating parts of the book, the author describes in narrative and with pictures, the eerie, secluded burial ground of the tribe of Princess Scargo. Because this graveyard is virtually unknown, and hard to find, the author has given specific directions to the compelling site, that overlooks Scargo Lake. Stories from all four parts of Cape Cod are included in this 'must read' collection.
