Whether you opt for a sleek and polished pixie or go for a more daring and edgy look with asymmetrical cuts or shaved sides, the pixie cut allows you to showcase your curls while keeping maintenance to a minimum. Pair it with a bold hair color or highlights to take your look to the next level.

The Natural Afro: Embracing Your Roots

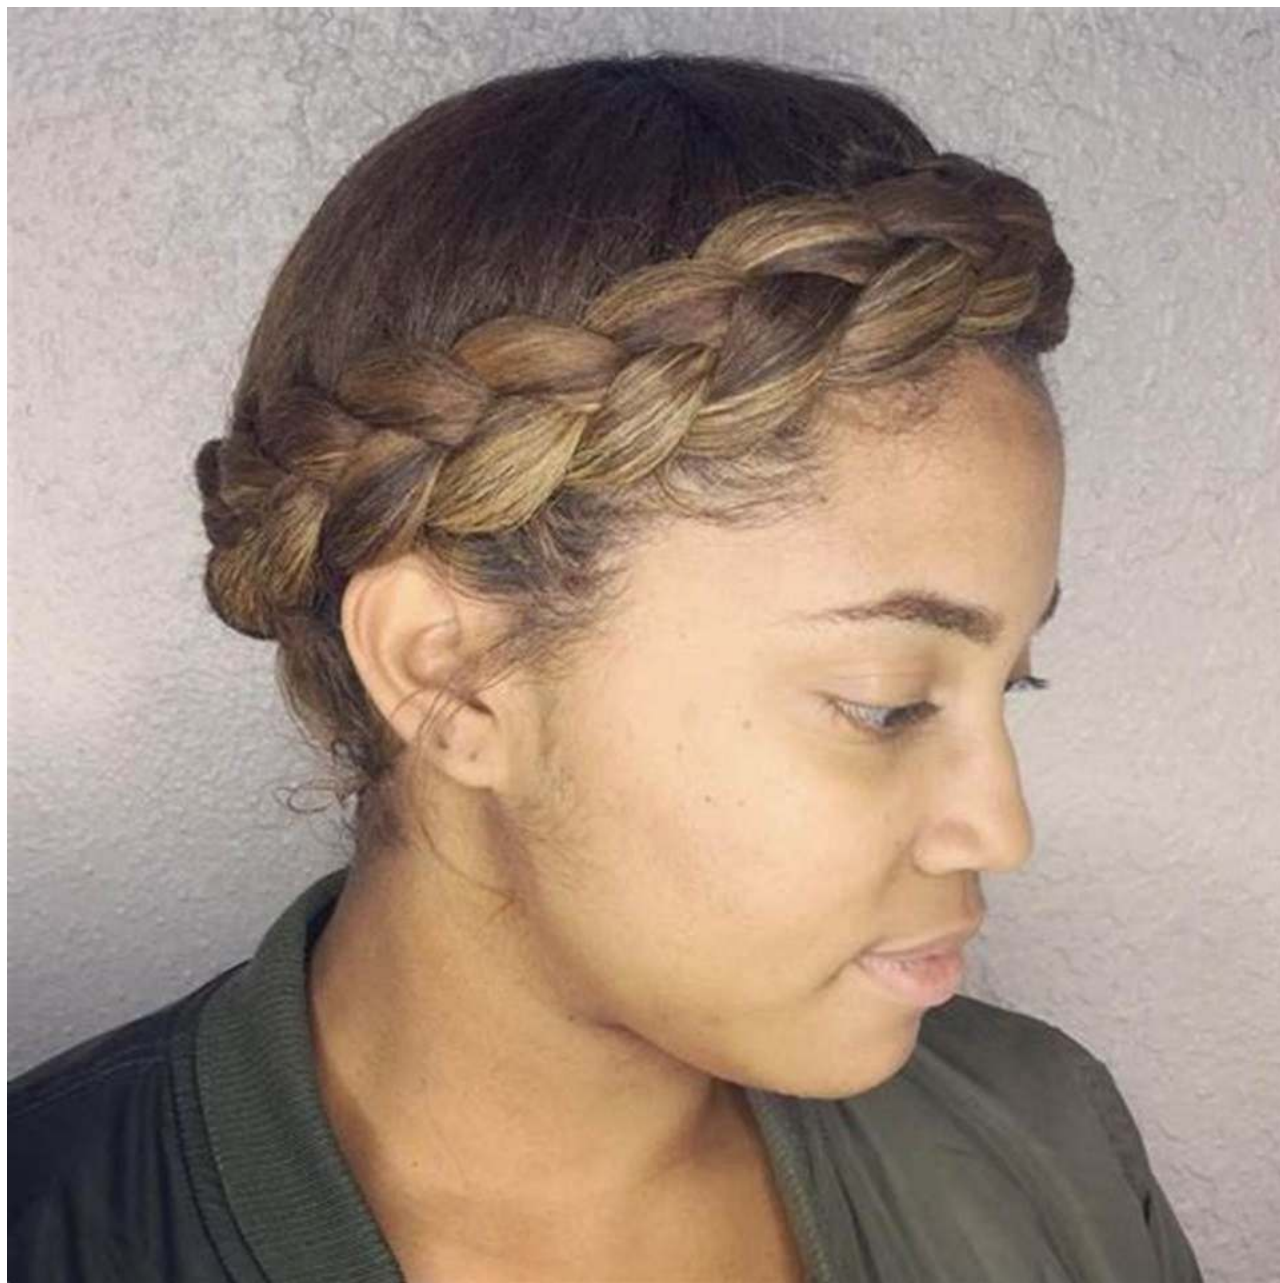

In recent years, African American women have been embracing the beauty of their natural hair texture, leading to a resurgence of the natural afro hairstyle. Short, curly afros were all the rage in 2014, with women proudly flaunting their voluminous curls.

One of the biggest advantages of rocking a natural afro is the versatility it offers. You can go for a shorter, more defined afro or let your curls grow out for a big and bold look. With the right hair products and styling techniques, you can achieve a stunning afro that will make heads turn wherever you go.

Braid-Outs and Twists: Adding Flair to Your Curls

If you're looking to switch up your short curly hairstyle, then braid-outs and twists are the way to go. These styles allow you to add texture and definition to your curls while creating a unique and eye-catching look.

2014 saw an increase in the popularity of braid-outs and twists, with women experimenting with different techniques and patterns. From chunky twists to intricate braided updos, the options were endless. Not only do these styles look

amazing, but they also provide protection for your curls and promote healthy hair growth.

The Bob: Classic Elegance with a Modern Twist

The bob hairstyle has been a favorite amongst African American women for decades. In 2014, the bob received a modern update, with women opting for shorter lengths and incorporating curls into the style.

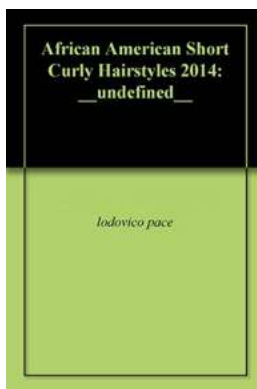

The short curly bob is a chic and timeless hairstyle that exudes elegance and sophistication. Whether you prefer soft and loose curls or tight and defined coils, the curly bob allows you to showcase your natural texture in a fashionable and stylish way.
