Please Note: Although this book can be read as a standalone. It takes place after book five in the My Ratchet Secret series. If you have not completed the series be aware that it contains spoilers.

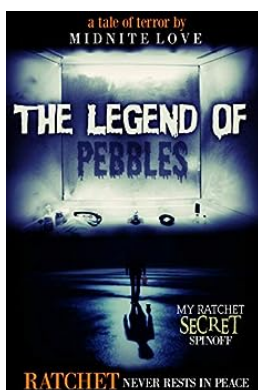

It's been 20 years since the death of Pebbles. Adrian and his son AJ have spent the last two decades trying to put the pieces of their life back together. The police have labeled Pebbles' assassins as an unknown group of vigilantes. Thus taking care of the dirty work for them.

Aside from AJ, no one else in Adrian's circle knows that he was one of the gunmen. Keeping this secret from his family has taken a toll on his mental and physical wellbeing.

AJ is haunted by the reminder of how he last saw his mother before her death. Despite her attempts to end his life, he still loves Pebbles and struggles with having a hand in her demise.

This year for Halloween a mask in the image of Pebbles is released in stores across the country. This sets off a chain of horrifying events as a killer strikes wearing the ghastly costume.

The danger hits close to home when Adrian realizes that his family is being targeted. This forces him to take matters into his own hands. Will he be able to save them before it's too late?
