

The Princess And The Pea Read It Yourself With Ladybird: A Classic Fairy Tale Reimagined for Young Readers

An enchanting tale of royalty, a single pea, and a fair princess, "The Princess And The Pea" has captivated generations of children around the world. Now, Ladybird presents a delightful adaptation of this beloved fairy tale in their "Read It Yourself" series, ensuring that young readers can experience the magic of this timeless story.

With its beautiful illustrations and engaging narrative, "The Princess And The Pea Read It Yourself With Ladybird" takes children on a journey into a world of castles, princes, and a peculiar princess with an extraordinary sensitivity to her surroundings. The story, first published by Hans Christian Andersen in 1835, has become a classic bedtime favorite that continues to inspire and entertain young readers today.

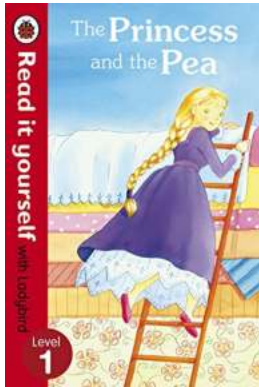

The Story of The Princess And The Pea

The story revolves around a young prince who sets out on a quest to find a real princess to marry. The prince's mother, the queen, devises an unusual test to identify a genuine princess. She places a single pea beneath twenty layers of mattresses and twenty more feather beds. The idea behind this test is to determine if the potential princess has a delicate nature, as a genuine royal should have.

One stormy night, a girl soaked with rain arrives at the palace, claiming to be a princess. The queen decides to put her claim to the test and offers her a room for the night. True to the fairy tale, the young lady passes the test but not without suffering immense discomfort due to the hidden pea beneath the mattresses. Finally, after a sleepless night, the "true" princess reveals her true identity and the couple is united in marriage, living happily ever after.

Ladybird's "Read It Yourself" Adaptation

Ladybird, a renowned publisher of children's books, offers a charming adaptation of "The Princess And The Pea." This retelling is carefully crafted to engage young readers, with a focus on vocabulary and sentence structure suitable for those who are beginning to read independently.

The book features lively and vibrant illustrations that capture the essence of the story, making it visually appealing for children. Ladybird's adaptation stays true to the original tale while incorporating elements that enhance the reading experience, captivating the imagination of young minds.

To aid comprehension and support reading development, the book includes a glossary at the end, explaining the meaning of unfamiliar words. This feature

encourages curiosity and helps children enrich their vocabulary while enjoying the enchanting story.

Why Should You Read "The Princess And The Pea Read It Yourself With Ladybird"?

1. Cultivating Imagination: Fairy tales have a unique way of broadening children's imagination, allowing them to envision magical worlds and characters. "The Princess And The Pea Read It Yourself With Ladybird" provides an ideal platform for children to embark on this imaginative journey.

Based on the classic fairy tale. A prince wants to marry a real princess, so the queen devises a true test based on one pea and a lot of mattresses!

Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty five years it has helped young children who are learning to read develop and improve their reading skills.

Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading.

Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school.

The Princess and the Pea is a Level 1 Read it yourself title, suitable for very early readers who have had some initial reading instruction and are ready to take their first steps in reading real stories. Each story is told very simply, using a small number of frequently repeated words.
