### Meet Our Heroine: The Princess In Black

The Princess In Black is no ordinary princess. By day, she appears to be an elegant princess attending royal tea parties, but when the monster alarm rings, she transforms into her true self: a strong, smart, and unstoppable superhero.

In the previous books, we witnessed her courageous battles against monsters threatening her kingdom. However, in "The Princess In Black And The Bathtime Battle," she faces a different kind of challenge, one that is seemingly harmless but full of surprises.

### The Bathtime Battle Begins

It's just an ordinary day in the kingdom, and the princess has completed her princess duties for the morning. Ready to relax, she prepares for her favorite time of the day: bathtime.

Little does she know that this bathtime will be far from ordinary.

As she luxuriates in her bath, she hears a strange noise coming from the drain. Intrigued and slightly concerned, the princess investigates further, only to discover an adorable yet mischievous little monster named Fred. This unexpected encounter kicks off a whimsical adventure that will have readers captivated from start to finish.

## **Friend or Foe? Unraveling the Mystery of Fred**
