doesn't even want to sit with her at lunch anymore. Zoe is heartbroken--all she wants is for things to go back to normal.

But then a magical app downloads on her phone...and things get even weirder! Suddenly Zoe can travel back in time to moments where her and Laura started drifting apart. It is like a dream come true. A chance for Zoe to mend their friendship.

But as Zoe goes back to moments of middle school drama--sleepover games gone wrong, field trips with cliques and crushes, and school projects that bring on more-than-awkward encounters--she realizes that second chances don't always go as planned and that sometimes you need to trust the magic of new beginnings.
