One of the key techniques employed by Ken Lubber is the use of long-exposure photography to capture the fleeting moments when the sun's rays dance across the landscape. By blending multiple exposures, he creates a surrealistic effect that captures the imagination and ignites a sense of wonder in the viewer.

As you explore his portfolio, you'll find yourself immersed in a world of breathtaking landscapes bathed in the golden hues of a setting sun. Whether it's a picturesque beach, a serene mountain range, or a bustling cityscape, Ken Lubber has the ability to capture the essence of each location and infuse it with his unique artistic vision.

But it doesn't stop there. The Sun Jumpers are not confined to the canvas. Ken Lubber has ventured into the realm of sculpture, transforming blocks of stone and metal into works of art that emanate the same celestial energy as his paintings. These sculptures are not static objects; they seem to pulsate with life, inviting the viewer to reach out and touch the sun.

So, what is it about The Sun Jumpers that makes them so captivating? Perhaps it's the way they remind us of the transient beauty of the natural world, encouraging us to cherish every moment. Or maybe it's the sense of hope and optimism they convey, as if each painting is a gateway to a brighter tomorrow.

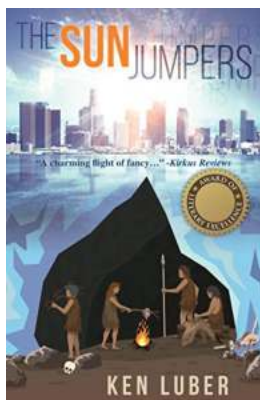

Each piece of art created by Ken Lubber tells a story, drawing the viewer in with its radiant allure. The Sun Jumpers are not just for aesthetic pleasure; they are a gateway to a world of emotions and experiences that words cannot fully describe.

As you delve deeper into the world of The Sun Jumpers, you'll discover that Ken Lubber's talent goes beyond creating beautiful artwork. He has dedicated himself to philanthropy, using his talent to bring joy and healing to the lives of others.

Through his art therapy programs, he has touched the hearts of countless individuals, helping them find solace and hope in the transformative power of art.

In , The Sun Jumpers and Ken Luber's remarkable talent have captured the imagination of art enthusiasts worldwide. With his ability to harness the power of the sun and infuse it into his artwork, Ken Luber has created a body of work that is both awe-inspiring and enlightening.

Ten thousand years ago, two teenage lovers set out to save their clan. But what they didn't expect is to end up in the 21st century...Along with two loyal friends, Ty and Sita embark on a daring vision quest, searching a deadly prehistoric forest for a tribe to save their cave-dwelling clan. But when the blood of a beast and Sita's shamanic potions combine to scramble their psyches, the dark-skinned seekers find themselves thrust from their familiar cave-land world into the

technology-driven modern-day city of Los Angeles. Darren, a young filmmaker shooting a carpet commercial on a mountaintop, mistakes the Stone Age kids for a rap group and brings them to his home, where the teens discover the wonders of Star Wars, pizza, sunglasses, and skateboarding. Ty's courage and Sita's shamanic wisdom eventually force the pompous filmmaker to face his destiny, and disbelief slowly becomes trust. Still, Ty must find a way to travel back ten millennia with a miracle that will save his starving clan. But how? Or will Sita's potions hurl them into another, unrecognizable, even malevolent future? The Sun Jumpers is a witty yet moving tale of teenage love, the power of friendship, and how bravery and a willing heart can save an entire people.
