Throughout history, countless stories and fables have emerged regarding encounters with the elusive thief. However, these tales remain shrouded in secrecy, with only whispers passing through the ages. Many claim to have witnessed its presence, but few have truly unraveled the truth behind this mysterious entity.

## **A Hidden Portal**

Legends speak of a hidden portal, a gateway that serves as a passage between our world and the unknown. It is said that those who seek the thief's ultimate truth must first find this elusive entrance.

For centuries, scholars, adventurers, and amateur sleuths have dedicated their lives to discovering the existence of this portal. Their relentless pursuit has led them to unexplored territories, ancient ruins, and sacred caves in search of clues that may guide them to the thief's realm.

While many have embarked on this quest, only a handful have returned with any evidence of their journey. Their testimonies paint vivid and awe-inspiring images of breathtaking landscapes, celestial palaces, and encounters with creatures thought to exist only in fiction.

## **The Seekers**

Among the few who have managed to discover the hidden portal, there lie a group of individuals known as "The Seekers". They dedicate their lives to unraveling the mysteries surrounding the thief, striving to understand its purpose and the secrets it guards.

The Seekers come from all walks of life, united by their shared fascination and determination. They possess unique skills and knowledge, enabling them to navigate the treacherous paths of the thief's worlds. From deciphering ancient languages to harnessing unimaginable powers, the Seekers embody the resilience and courage needed to venture into the unknown.

## **Chasing Shadows**

In their pursuit of the thief, the Seekers face insurmountable challenges. The thief's realms are unpredictable, each with its own set of rules and mystical beings guarding its secrets. To succeed, the Seekers must hone their abilities and be prepared to face trials that test both their physical and mental strength.

As they dive deeper into the thief's worlds, the Seekers begin to question their own reality. Boundaries blur, and they find themselves questioning the very fabric of existence. Time becomes malleable, memories become fleeting, and the line between what is real and what is imagined dissolves.

Yet, it is precisely in this blurred realm that the true essence of the thief is revealed. It is a mirror, reflecting the deepest desires and fears of those who venture into its domain. Each Seeker must confront their own demons, battling the darkness within to unlock the thief's ultimate secret.

## **The Thief's Purpose**

As the veil of mystery surrounding the thief slowly unravels, a revelation emerges. The thief is not a malevolent force per se, but rather a catalyst for self-discovery and growth. It challenges those who encounter it to question their beliefs, confront their limitations, and ultimately transcend the boundaries of their own existence.

The purpose of the thief's actions becomes clearer: to awaken dormant potentials within individuals, to remind them of the boundless possibilities that lie within their grasp, and to ignite a spark of curiosity that propels them towards self-realization.

## Will You Dare?

"The Thief Of Two Worlds" beckons to all who seek adventure, mystery, and the thrill of the unknown. Will you dare to venture beyond the confines of your imagination? Will you be one of the few who discover the truth hidden within the realms of the thief?

Join us on an unforgettable journey as we unravel the enigma that is "The Thief Of Two Worlds". Prepare to have your perceptions shattered, your reality questioned, and your spirit awakened.

The legend awaits, and the thief calls. Will you answer?

"A thrill ride across space and time." R.A. Jones

The Thief of Two Worlds, introduces us to Caleb and Veyda McGreggor, a brother and sister who join their father and an alien from Alpha Centauri to capture an intergalactic, power mad thief. This unusual pairing of humans and aliens team up to time-jump into earth's past to help track and capture the renegade who has stolen the greatest treasure of the planet Tugz, "The Egg"!

On their Angkor Wat adventure they cross paths with -- a rogue elephant, a ruthless "bird god", Kai the Tiger Killer, and...Albert Einstein!! They meet every challenge with intelligence, faith, courage, and metallic crabs called Twydddle!

The Thief of Two Worlds! connects with readers in their everyday life as they discover how twelve year old Caleb learns science cannot solve every problem, and his ten year old Christian sister, Veyda, gains understanding in how overcome fear with faith.

Educator Nancy Carlson writes: Vance has skillfully crafted a Christian science fiction tale. Young people will be captivated by this story that begins with an alien enlisting the help of scientist-inventor Jon McGreggor to travel to 12th century Cambodia. There's just one problem---his children are stowaways which adds an unexpected ingredient to the mission. I highly recommend this book which grapples with faith and fear along the way.
