Meet the fearless quartet – Katherine, Emma, Grace, and Sarah – as they embark on exhilarating quests, wrestling through the pages of history books, and venturing into ancient civilizations. You'll find yourself on the edge of your seat as they witness monumental events, encounter legendary figures, and try to solve age-old mysteries.

Uncovering Hidden Stories from History

With their trusty time machine, the girls actively participate in significant historical moments, bringing to light often overlooked tales of heroism, romance, and intrigue. From the bustling streets of ancient Rome to the battlefields of World War II, no era is off-limits to their extraordinary escapades.

The Time Machine Girls series goes beyond the standard history lessons and breathes life into both famous and lesser-known historical events. Through captivating storytelling, readers are transported to critical points in time and get a chance to empathize with people who lived through those transformative periods.

The author, Jane Williams, has meticulously researched each era, ensuring historical accuracy while maintaining an engaging narrative. Williams believes that storytelling is a powerful tool for learning, offering a gateway to connect readers with important chapters in humanity's past.

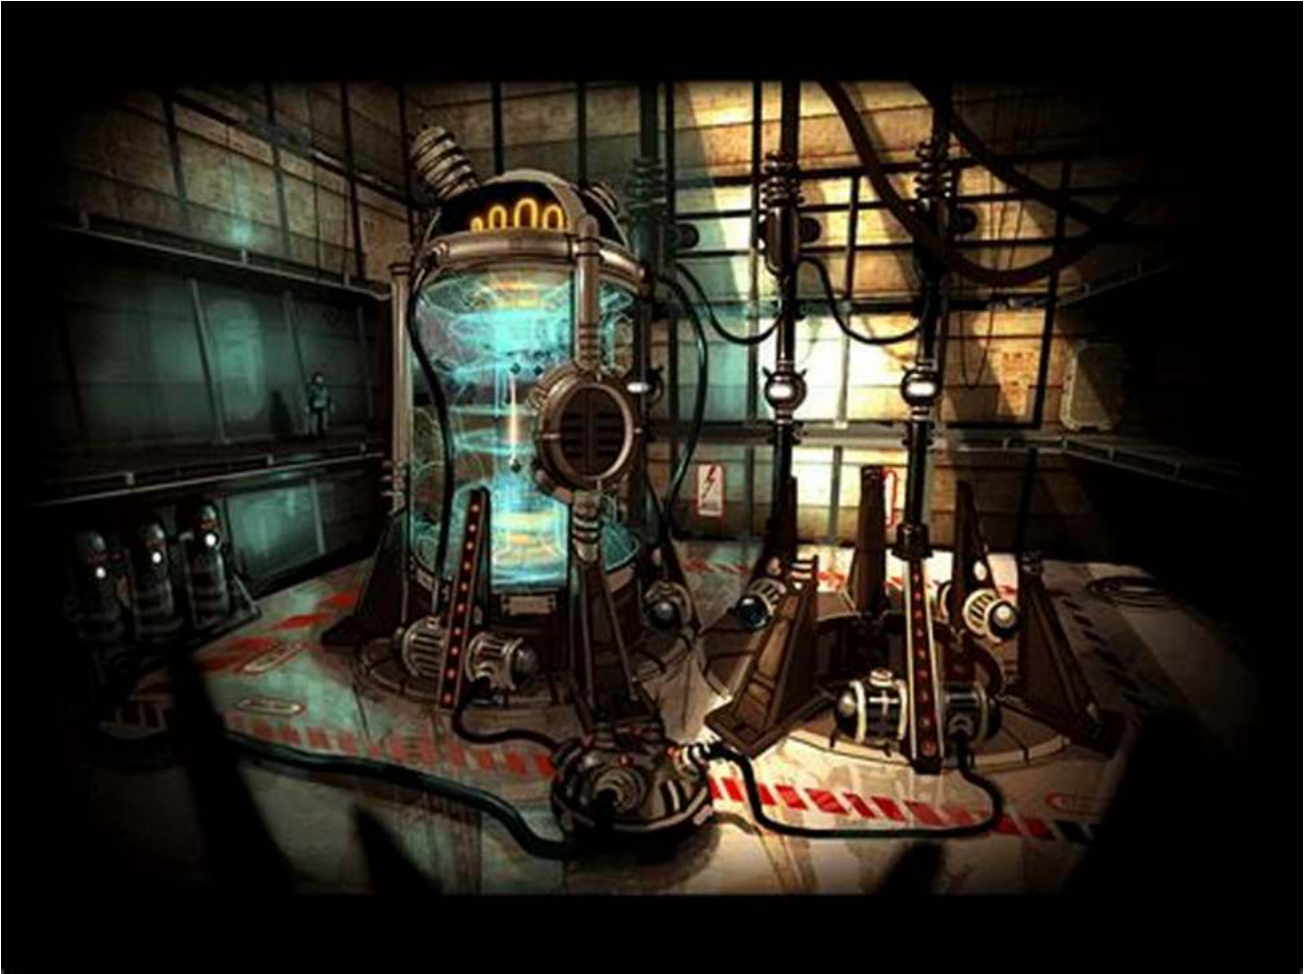

The Time Machine Girls: Unleashing the Power of Empathy

One of the series' greatest strengths is its ability to instill empathy in young readers. As the Time Machine Girls interact with historical figures, they develop a deep understanding of the challenges, triumphs, and complexities of different time periods.

This immersive experience not only educates readers but also sparks conversations about key historical events. It encourages young minds to explore different perspectives, fostering critical thinking and nurturing a sense of global citizenship.

Time Travel, Friendship, and Female Empowerment

The Time Machine Girls series also highlights the power of friendship and showcases strong, intelligent female characters at the center of the narrative. Each girl brings unique strengths and qualities to the group, fostering a positive representation for young girls and teaching them the importance of collaboration and resilience.

Throughout the series, readers witness the growth and personal development of the characters as they face various challenges. From overcoming their fears to outsmarting villains, the Time Machine Girls serve as role models for young readers, encouraging them to embrace their inner strength and pursue their dreams.

Unlocking the Next Chapter

If you're ready to embark on an unforgettable journey through time, grab the first book in the series, "The Time Machine Girls: Secrets of the Ancient World," and get ready to be transported to extraordinary places from history's most captivating time periods.

Explore the lost city of Atlantis, unravel the enigma of the Sphinx, and follow the Time Machine Girls on their next thrilling adventure. The power of the past awaits!

So, hop on board the time machine and be prepared to experience history like never before. The Time Machine Girls series is an immersive adventure that educates, entertains, and inspires readers of all ages. Get ready to unlock the hidden stories from history and join the girls on their exciting journey through time!

Just Don't Ruin History...

Eight-year-old Hazel can hardly believe it when her grandfather hands her the keys to the trunk and tells her she and her sister can pick whatever item they want to return next in the time machine. All they have to do is work together.

But working with her little sister isn't easy. And some of the items come with important warnings not to ruin history. So, naturally, those are the items Bess

wants to choose. How are they ever going to work together? And how can Hazel keep her sister from ruining history?

The fourth stop on this time travel adventure is to 1916 to meet Marie Curie in Paris during World War 1 and see her famous x-ray cars, radium, and learn how everyone can reach new levels when we all work together to get there.

Books in this series:

Secrets

First stop: 1738 to meet a young George Washington, and learn that the qualities of leadership can show up at any age.

Never Give Up

Second stop: 1879 to meet Thomas Edison, and learn that success often includes failure, and lots of it. The trick is to never give up.

Courage

Third stop: 1849 to meet Harriet Tubman and learn that courage sometimes means taking the hard road in order to help everyone get on the right road.

Teamwork

Fourth stop: 1916 to meet Marie Curie during WWI, and learn that we can all reach new heights when we all work together to get there.
