### **Step 1: Gather Your Supplies**

Before we begin, make sure you have all the necessary supplies. You will need:

- Crochet hooks (sizes G, H, and I)
- Yarn (in the colors of your choice)
- Yarn needle
- Scissors

## Step 2: Start with the Basic Shapes

The squirrel applique consists of various simple shapes that you will crochet separately and then assemble together. Begin by crocheting a circle for the squirrel's body using the G-sized crochet hook. Then, create two smaller circles for the head and ears using the H-sized crochet hook.

## Step 3: Add Details and Features

Now it's time to bring your squirrel to life by adding details and features. Using the I-sized crochet hook, crochet the eyes, nose, mouth, and tail. Feel free to experiment with different colors and stitches to personalize your squirrel applique.

## Step 4: Assemble Your Squirrel Applique

Once you have all the individual parts crocheted, it's time to assemble them together. Attach the head and ears to the body using the yarn needle and whip stitch. Securely attach the eyes, nose, mouth, and tail as well. Once everything is in place, weave in any loose yarn ends to give your applique a polished finish.
