4. Language Learning Games

Introduce a variety of language learning games to make learning English enjoyable and interactive. Board games, memory cards, and flashcard races are some examples. With these games, children can practice vocabulary, sentence formation, and pronunciation in a playful manner. Be sure to have a wide range of games suitable for different learning styles and levels of difficulty.

5. Nature Walk and Vocabulary Hunt

Take the preschoolers on a nature walk in your local park or school garden. birds. This activity not only expands their vocabulary but also connects language learning with the natural world.

6. Music and Movement

Integrate music and movement into your English lessons to energize the preschoolers and make learning memorable. Teach them English songs with catchy tunes and simple lyrics. Incorporate actions and dance movements that
