Leaving Skye behind, your journey takes you to the Outer Hebrides, a string of islands nestled on the edge of the Atlantic Ocean. Here, time stands still, and ancient traditions and way of life continue to shape the culture of its resilient inhabitants.

The iconic Callanish Standing Stones, reminiscent of Stonehenge, stand proud against the backdrop of the wild landscape. As you wander through these historic stones, you can't help but feel a sense of wonder and reverence for the generations that stood here before you.

The pristine beaches that stretch for miles on the Isle of Lewis will leave you breathless. With their white sands and crystal-clear turquoise waters, you'll feel like you've stepped into a tropical paradise. But it is the feeling of solitude as you walk along these shores that truly sets them apart.
