Pay a visit to London and a black cab will probably be one the first things you will see. The London taxi drivers are almost as famous as the black cabs in which they drive, this is mainly due to their in-depth knowledge of London and ability in taking their occupants to their desired destination amid the congestion and the chaos that you often find when travelling through London's streets. London taxi drivers go through stringent training to obtain their licence, they need to pass "The Knowledge", a test which is amongst the hardest to pass in the world, and

has been described as 'like having an atlas of London implanted into your brain'.

The test requires you to master no fewer than 320 basic routes, all of the 40,000 streets that are scattered within the basic routes and approximately 20,000 landmarks and places of public interest that are located within a six-mile radius of Charing Cross.

This book breaks the test down into a series of head-scratching questions and features enough trivia about the capital to surprise even born and bred Londoners. It's the perfect gift for anyone who thinks they know London inside-out, or wants to learn more!
