The Lady of Shalott

"The Lady of Shalott" is one of Tennyson's most iconic and widely analyzed poems. Through a narrative featuring a mysterious lady trapped in a tower, Tennyson explores themes of isolation, artistry, and the consequences of breaking societal norms. We will unravel the symbolism and metaphorical layers of this poem, shedding light on Tennyson's commentary on Victorian society and the role of women.

Ulysses

"Ulysses" is another notable poem by Tennyson, inspired by the protagonist of Homer's "Odyssey." Through the voice of Ulysses, Tennyson explores the desire for adventure, the pursuit of knowledge, and the inevitability of mortality. We will analyze the use of imagery, allusion, and symbolism in this poem, shedding light on its philosophical and existential themes.

Tithonus

In "Tithonus," Tennyson presents a unique perspective on the human longing for immortality. Drawing from Greek mythology, Tennyson tells the tale of Tithonus, a mortal granted eternal life but not eternal youth. We will delve into the themes of time, mortality, and the limits of human existence in this thought-provoking poem.

Crossing the Bar

"Crossing the Bar" serves as an introspective and contemplative piece, reflecting on the nature of death and the afterlife. Tennyson employs nautical imagery to express his thoughts on the transition from life to death. We will uncover the profound metaphors and thematic elements embedded within this poignant poem.
